Leapfrogs Vijay Mahajan,2022-04-07 In north India Laxman a truck driver takes great pride in his work Earlier in the day he had driven his truck to the Pataudi hub exchanged trailers and was able to drive back to Jaipur about 250 kilometres and four to five hours each way Unlike other truck drivers in India he had more free time and could go home rather than stay on the

road for days on end He works for a company called Rivigo that uses digital technologies to create what it calls relay as a service which makes it possible for drivers to relay trailers from hub to hub allowing them to stay within a certain distance of their home and spend more time with family In Kerala Genrobotics a start up has created Bandicoot a 50 kg spider like robot designed to shimmy down manholes and extract the waste that clogs sewers Working wirelessly it can do in twenty minutes what two or three manual scavengers would do in three to four hours ensuring safety and efficiency In the aftermath of Covid 19 pandemic the Indian government s digital platform COWIN is helping ensure vaccination of the world s largest democracy with maximum efficacy The platform has now been made open source for all countries to adapt and use Every day it becomes all too obvious how critical a role these technological innovations will play in the continued emergence of developing countries and the 86 per cent of global consumers who work shop play live and dream like consumers anywhere else in the world Backed by comprehensive data and extensive research covering over 150 organizations Digital Leapfrogs illustrates how these technologies are changing markets and lives throughout the developing world from its upscale urban neighbourhoods to its downtrodden slums and its far flung rural farming regions Understanding the nature and power of these platforms and technologies will reveal critical insights into how they can transform entire economies open vast new market opportunities and enhance the welfare of billions of people

How Women Work Aarti Kelshikar,2023-02-25 Are the rules that define women leaders in Asia different from those in the West How are women leaders perceived across Asia What are the cultural barriers and biases that they grapple with How is ambition displayed and aspiration cloaked These are some of the questions addressed in How Women Work Fitting In and Standing Out in Asia From China to India Singapore to the Philippines and Japan to Thailand this book observes working women through a pan Asian lens using their triumphs and tribulations to present readers with lessons and learnings on leadership and success Fitting in and standing out are seemingly contrarian ideas but from all accounts Asian women don t view them as either or Successful Asian women leaders do both on their own terms With observations from women leaders as well as their male counterparts How Women Work enriches and deepens our understanding of women leadership in one of the most dynamic regions of the world It lays down the skills and strategies that work and the pitfalls to avoid for the modern working leader as she navigates the intricate ties between leadership and culture in the Asian hemisphere

How To Get Pregnant With IVF Gitanjali Banerjee,2022-12-29 When are you giving us the good news For couples struggling with infertility this is an especially difficult question because the answer is complicated emotional and can test even the best of us In India nearly 27.5 million couples battle infertility daily Around two lakh IVF cycles are done every year and their success rate usually ranges between 30 and 35 per cent An average couple spends around Rs 4 to 6 lakh in this journey Couples embarking on fertility treatments go in buoyed by positive stories but are seldom prepared for the grueling mental physical and financial challenges that lie ahead Journalist and Founder of Fertility Dost an online community for people struggling with infertility Gitanjali Banerjee went through five

miscarriages over a span of 10 years before she got pregnant through IVF In her book *How to Get Pregnant with IVF An In depth Indian Guide to Fertility Treatments* offers aspiring parents an honest account of what it means to be diagnosed as infertile the many tests and their results and roadblocks of the fertility process This definitive guide lights the way for a reader who wants to know everything about IVF treatments in India *West Africa* ,1992 *How to Run Wars* Christopher J. Coyne, Abigail R. Hall, 2024-06-18 A copy of the top secret memo below recently came into our hands and we thought we should bring it to your attention Dear National Security Elite In an ideal world the public would simply accept whatever their leaders you in other words told them They would comply with restrictions and mandates not as a matter of mere obedience but as a matter of unquestionable patriotic duty But we don't live in an ideal world And with the fate of the world especially the world's wars in the hands of our enlightened benevolent and eminently responsible national security elite in your hands in other words we can't afford to risk opening the conversation to an informed public And we certainly can't risk asking for anything so antiquated as consent either Not when the stakes are this high You simply must learn How to control the narrative every narrative in your favor How to completely capture the media and effectively quash dissent How destroying liberty creates more liberty in the long long run Why top down economic planning here and abroad is your best friend How to flout international and of course domestic law and get away with it And much much more The danger with any book like this is obviously that it may fall into the wrong hands If any member of the general public should happen upon these pages the consequences would be fatal After all people may realize that the national security elite you in other words are not in fact all powerful harbingers of peace They may realize that you are literally a force for good armed and relentlessly attempting to bend the planet to your noble will And that realization would be nothing short of disastrous Don't let this book fall into the wrong hands Merciless in their penetrating analysis Christopher J Coyne and Abigail Hall have written the satirical portrait of America's contemporary military industrial complex Drawing inspiration from the 1936 classic *How to Run a War* by Bruce W Knight this book is a must read for anyone who would know the truth about America's endless wars and the people who run them The truth might just set us free It will certainly make you laugh Then really angry [How to Move Up When the Only Way is Down](#) Judah Taub, 2024-10-22 Break new ground in problem solving and decision making by learning from AI A well paid executive feels trapped in her very respected but unsatisfying job A startup founder has paying customers but knows that unless he fires them and pivots the business his startup won't make it A senior government planner is tasked with undoing the nation's reliance on outdated infrastructure These are all examples of individuals stuck in a Local Maximum we've reached a peak but not the one that fulfills the highest potential In order to move up in our pursuits we must first move back down a realization which can lead to frustration decision making paralysis and lost opportunity In *How to Move Up When the Only Way Is Down Lessons from Artificial Intelligence for Overcoming Your Local Maximum* Judah Taub draws from his perspective guiding early stage AI startups his years serving in military intelligence and various experiences leading

innovation throughout his career With his off the beaten path perspective Judah shares insights into how humans can achieve better decision making by learning how AI overcomes local maximums What tech engineers already know is that with the rise of AI we ve developed new ways of addressing these limitations These techniques employed to save billions of dollars for global giants like Amazon and Google are equally applicable to each of us To show how Judah shares a variety of real world examples involving Olympic high jumpers the transition of Ethiopian immigrants from gas station attendants to high tech engineers the evolution of playing cards into Nintendo the development of ChatGPT the link between wildfires and hedge fund managers and much more Explore How to anticipate and identify Local Maximums How to overcome psychological Local Maximum blocks and biases How to build skills and apply strategies to succeed in complex decision making How Local Maximum thinking can help overcome major global challenges The book is equipped to benefit anyone facing complex decisions or obstacles to their personal or professional goals How to Move Up When the Only Way is Down is designed to transform readers decision making by recognizing Local Maximums and skill building based on lessons from AI
