Common Application Evaluation Form:

Getting into College Frank C. Leana, 2025-10-16 In his manual *Getting Into College* Leana provides both broad and very specific advice and information that will help high school students gain admission to the college of their choice. It discusses the role of parents, the special problems foreign students face, transfer admissions, using summer vacations to best advantage, and the student with a learning disability. A savvy encouraging manual of tips for high school juniors and seniors embarking on the college admissions merry-go-round, strongest on areas to highlight and correspondingly ways to counterbalance academic weaknesses. Kirkus Reviews

How to Prepare a Standout College Application Alison Cooper Chisolm, Anna Ivey, 2013-08-06 Demystifying the process of completing a college application. Written by two former admissions officers at top universities and current admissions coaches, this book is a must-have for preparing a winning college application. The authors reveal the mystery behind what college admissions officers are looking for and show applicants how to leverage their credentials, stand out in the over-crowded applicants pool, and make a genuine, memorable impression. This is the book that will help the college-bound get off the like-many-others pile and onto the acceptance list. Includes instructions and examples for every component of the college application, from writing the essay to answering questions like "Why do you want to go to College X?" Shows how to avoid underestimating the importance of critical features on any application. Includes the latest information on the Common Application 4.0 and corrects outdated holdover advice still stressed in many other books. This book is filled with step-by-step advice that students and parents can use immediately and will refer to again and again.

Common Sense Police Supervision (7th Edition) Gerald W. Garner, 2024-01-11 Revised, updated, and expanded, this practical hands-on book is packed full of step-by-step guidelines and suggestions for carrying out a multitude of leadership tasks and responsibilities focused on a changing workforce that serves an equally changing and complex society. While emphasizing the real value of common sense in good leadership practices, the author furnishes the aspiring novice or veteran police supervisor with specific advice on how to train, counsel, inspect, discipline, and assess the performance of his or her subordinates. He strives to help the supervisor with the vital obligations of being a planner, a problem-resolution officer, and an effective communicator, within as well as outside the law enforcement organization. Major topics include: 1. what supervision means and what you need to know; 2. supervisory ethics, professional responsibilities as a teacher, inspector, advocate, and role model; 3. the key qualities of true leadership; 4. the vital job as an evaluator of employee performance; discipline in the correction process; oral and written communication skills; 5. the skills needed when dealing with the news media; 6. assistance in planning a career as a first-line leader in supervision; 7. the skills necessary for effective counseling; 8. managing external and internal complaints; 9. an effective role in community policing and customer service; and 10. effective leadership of different generations. Each chapter concludes with a brief "Points to Remember" that provides a quickly read and easily remembered checklist of the chapter's salient points. The seventh edition furnishes many more practical, helpful, and real-life

examples pertaining to leadership issues In addition a new chapter Working for Someone offers insight into this all important topic of what your supervisor expects some pitfalls to avoid addressing the boss s problems and learning the boss s job This new edition offers a realistic approach to the challenging task of providing strong effective leadership to front line employees in a dynamic demanding profession
