Form G

Do you know HOW?

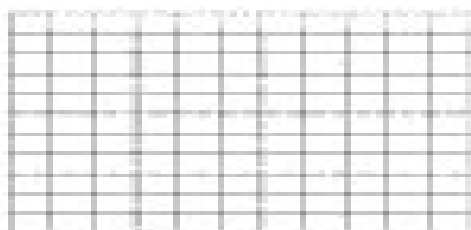

Sketch a graph to represent the situation. Label each section.

1. The temperature of the water decreases over the first few hours in the refrigerator.
2. The value of the company home increased steadily over the years.
3. The temperature changed as steadily predicted the oven, cooled the food, and turned the oven off.

For each table, determine whether the relationship is a function. Then represent the relationship using words, an equation, and a graph.
