

Section and reading-related questions (see below)		
Page	Questions	Answers/Comments
	1. What is the author's main argument? (What is the main point of the text?)	The author's main argument is that the current system of international law is flawed and needs to be reformed. He argues that the current system is based on a flawed understanding of the nature of international law, which is not a set of rules but a set of principles. He also argues that the current system is based on a flawed understanding of the nature of the state, which is not a sovereign entity but a collection of individuals.
	2. How does the author support his argument? (What evidence does he provide?)	The author supports his argument with several pieces of evidence. He cites the work of legal scholars like Hans Kelsen and Lon Fuller, who have argued that international law is not a set of rules but a set of principles. He also cites the work of political scientists like Robert Dahl and David Held, who have argued that the state is not a sovereign entity but a collection of individuals.
	3. What are the implications of the author's argument? (What does it mean for the world?)	The implications of the author's argument are significant. If his argument is correct, then the current system of international law is flawed and needs to be reformed. This would mean that the current system of international law is not based on a set of rules but on a set of principles. This would also mean that the current system of international law is not based on a set of principles but on a set of individuals.
	4. How does the author address counterarguments? (What objections does he anticipate and how does he respond to them?)	The author addresses counterarguments by arguing that the current system of international law is flawed and needs to be reformed. He argues that the current system is based on a flawed understanding of the nature of international law, which is not a set of rules but a set of principles. He also argues that the current system is based on a flawed understanding of the nature of the state, which is not a sovereign entity but a collection of individuals.
	5. What is the author's conclusion? (What is the final point of the text?)	The author's conclusion is that the current system of international law is flawed and needs to be reformed. He argues that the current system is based on a flawed understanding of the nature of international law, which is not a set of rules but a set of principles. He also argues that the current system is based on a flawed understanding of the nature of the state, which is not a sovereign entity but a collection of individuals.

Double Entry Journals For The Great Gatsby: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthraling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Double Entry Journals For The Great Gatsby : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Double Entry Journals For The Great Gatsby : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
