Double Fault A Fran Harman Mystery:

Double Fault Judith Cutler, 2014-09-25 When a child goes missing at the local tennis club on the day when several skeletons are unearthed on an Ashford building site Chief Superintendent Fran Harman finds her caseload heavier than ever. A further shocking discovery in the skeleton case suggests there may be a serial killer lurking rather closer than Fran would wish.

In at the Death Judith Cutler, 2025-01-07 The future of Thorncroft House and its occupants is in the balance while a mysterious murder brings up a past best forgotten. An authentic Victorian murder mystery depicting upstairs downstairs life in nineteenth century England. October 1861. England. Harriet and Matthew Rowsley, the housekeeper and estate manager of Thorncroft House in Shropshire, have to cut short their successful trip to Oxford when they receive a telegraph: a decapitated and mutilated body has been found on the estate. While trying to help the strangely slow police investigation, the couple face an unsettling threat to their livelihood after years of searching: a legitimate heir of Thorncroft estate has been found. They find themselves hosting an American gentleman whose charm doesn't quite conceal his alarming plans for the future of the estate and all its inhabitants. Falsely imprisoned and forced to be silent about the identity of the murdered man, Harriet not only has to confront her past but also share a secret of her own that could change her and her loved ones' lives forever. Ideal for fans of other married sleuths like Anne Perry's Charlotte and Thomas Pitt series, *Think Downton Abbey* with a compelling murder mystery twist. This is the final instalment in the Harriet and Matthew Rowsley series and a treat for historical mystery fans.

Green and Pleasant Land Judith Cutler, 2015-04-01 Retired police detective Fran Harman discovers that someone doesn't like her digging up the past when she reopens a 20-year-old cold case. Newly retired ex-Chief Superintendent Fran Harman and her partner Mark have volunteered to assist West Mercia police in reinvestigating an unsolved crime. Twenty years ago, a car was found abandoned on an isolated road running through the Wyre Forest; its hazard lights still flashing, the passenger door open. In the back were two child seats. One was empty; in the other lay a desperately ill baby. Neither the baby's mother nor the elder child were ever seen again. Where had Natalie Foreman been, and where was she heading? As they question those who knew the missing woman, Fran and Mark uncover worrying discrepancies and mistaken assumptions underlying the original police investigation. In their new role as civilians in a police world, they find themselves encountering hostility and resentment from some of those they question, and it's clear that more than one key witness is not telling them the whole truth.

The Wages of Sin Judith Cutler, 2019-12-01 First in a brand new Victorian mystery series featuring steward Matthew Rowsley and housekeeper Mrs Faulkner as an engaging detective duo. Newly appointed as land agent to the youthful Lord Croft, Matthew Rowsley finds plenty to keep him busy as he attends to his lordship's neglected country estate. But he's distracted from his tasks by the disappearance of a young housemaid. Has Maggie really eloped with a young man, as her mother attests, or is the truth rather more sinister? What's been going on behind the scenes at the grand country estate, and where has his lordship disappeared to? Teaming up with housekeeper Mrs

Faulkner to get to the bottom of the matter Matthew uncovers a number of disturbing secrets scandals and simmering tensions within the household Something rotten is going on at Thorncroft and it s up to Matthew and Mrs Faulkner to unearth the truth

Death's Long Shadow Judith Cutler,2021-10-01 The arrival of an unexpected guest means trouble ahead for the residents of Thorncroft House in this deftly plotted Victorian mystery On a freezing winter s night with the household in mourning following the death of the dowager Lady Croft the residents of Thorncroft House are roused from their beds by the arrival of an unexpected visitor Although Lady Stanton seems reluctant to explain the reasons for her visit housekeeper Harriet Rowsley would never turn a stranger from the door she offers Lady Stanton and her servants all the hospitality at her disposal however secretive and arrogant the new guest might be But tensions arise over the following days with both visitors and servants trapped indoors by the snow and Lady Stanton proving a difficult and demanding guest The situation worsens on the discovery of the body of a young housemaid lying crumpled at the foot of the stairs A tragic accident or something more sinister Who exactly is Lady Stanton and why has she come to Thorncroft Has her arrival anything to do with the housemaid s death As the household remains trapped and tensions escalate Harriet and her husband Matthew are forced to face the fact that they may be harbouring a murderer in their midst

A House Divided Judith Cutler,2022-11-01 Stranded at a house party when a murderer strikes May 1861 Victorian England When Matthew and Harriet Rowsley are invited to a house party at Clunston Park by Matthew s cousin Colonel Barrington Rowsley and his wife Lady Hortensia Harriet is nervous surely the aristocratic guests will snub her After all they are but mere servants in their eyes Her fears are realised on their first evening when the only person who deigns to speak to her is the spiteful Gr fin Weiser and confirmed when she commits a major faux pas at the cricket match the following day But there s no escape The cricket match is abandoned due to a storm and flooding leaves the house guests stranded Things worsen when Gr fin Weiser is found murdered and the finger is quickly pointed at Clara an eleven year old maid as the culprit Convinced that she cannot be guilty Harriet and Matthew agree to investigate The aristocratic fa ade begins to crumble under their scrutiny and they start to unlock the secrets of Clunston Park Why does the Colonel allow his bullying friend Major Jameson so much leeway Is there more to the befuddled Lord Pidgeon than meets the eye Harriet and Matthew must uncover the truth before they find themselves in deadly danger

The Dead Hand Judith Cutler,2023-11-07 While hosting a group of academics at Thorncroft House Harriet and Matthew Rowsley find themselves confronted with bigger and bloodier issues than unruly guests The fifth instalment of the Harriet and Matthew Rowsley Victorian mystery series sets in England during the great Victorian era June 1861 Victorian England A house full of academics should imply calm and quiet but much to housekeeper Harriet Rowsley s dismay some of the guests seem to have problems with the estate s unconventional practices and aren t afraid of voicing their concerns Having Harriet and her husband and interim estate manager Matthew as the hosts of Thorncroft House while his lordship is ill and the trustees are seeking for his heir is obviously not to everyone s taste But Harriet won t let their

patronising opinions get in the way of running the household as it was entrusted to her She and her husband seem to have things under control until a series of unusual accidents occur around them To make matters worse and more pressing one of these accidents proves fatal With a house now full of suspects Harriet and Matthew have to find out who is causing chaos and why While everyone is focused on drawing out the culprit and searching for a motive Harriet has her own theory as to why these incidents happen and decides to follow her hunch after all every aspect should be considered just in case For fans of Downton Abbey who love a thrilling murder mystery twist and authentic depictions of the Victorian period This is a compelling upstairs downstairs mystery featuring a husband and wife detective duo Rebels, Mavericks, and Heretics In Biology William Dritschilo, 2008-10-01 This book is the first devoted to modern biology's innovators and iconoclasts men and women who challenged prevailing notions in their fields Some of these scientists were Nobel Prize winners some were considered cranks or gadflies some were in fact wrong The stories of these stubborn dissenters are individually fascinating Taken together they provide unparalleled insights into the role of dissent and controversy in science and especially the growth of biological thought over the past century Each of the book's nineteen specially commissioned chapters offers a detailed portrait of the intellectual rebellion of a particular scientist working in a major area of biology genetics evolution embryology ecology biochemistry neurobiology and virology as well as others An introduction by the volume's editors and an epilogue by R C Lewontin draw connections among the case studies and illuminate the nonconforming scientist's crucial function of disturbing the comfort of those in the majority By focusing on the dynamics and impact of dissent rather than on winners who are credited with scientific advances the book presents a refreshingly original perspective on the history of the life sciences Scientists featured in this volume Alfred Russel Wallace Hans Driesch Wilhelm Johannsen Raymond Arthur Dart C D Darlington Richard Goldschmidt Barbara McClintock Oswald T Avery Roger Sperry Leon Croizat Vero Copner Wynne Edwards Peter Mitchell Howard Temin Motoo Kimura William D Hamilton Carl Woese Stephen Jay Gould Thelma Rowell Daniel S Simberloff **Motion Picture Herald**, 1938 Library Journal Melvil Dewey, Karl Brown, Bertine Emma Weston, Helen E.
