Down And Dirty Memoir Of A Junkman:

A WALK ACROSS DIRTY WATER AND STRAIGHT INTO MURDERER'S ROW Eugene S Robinson, 2023-08-29 A rollicking no holds barred memoir from journalist and musician Eugene S Robinson that takes readers along through the story of his life A weird rollicking ride frames how author Eugene S Robinson views his journey from a Brooklyn kid with decidedly offbeat punk rock proclivities to the realities of California hardcore and dark detours into shows tours drugs porn guns MMA fighting an Ivy League esque education and his eventual entry into the US Defense industry just in time to see his boss dragged into Contragate Robinson s writing mirrors his fighting style intensity ferocity and brutal truth He knows exactly who he is and how he is perceived by the white people and white culture that surrounds him Robinson challenges accepted norms He fights against easy answers and safe passages He says No one who ever gets a life sentence for just about anything really expects it to last a lifetime Even if the modifier is without the possibility of parole Hope springs eternal but there s always the undiscussed other option The one where the fate is chosen freely and the protagonist has about as much interest in escaping as he does of being almost anywhere else at all Which is to say not at all A Walk Across Dirty Water is Robinson s memoir of growing up in Brooklyn during the 1970s playing in punk bands and touring the world during the Feet First Walter A. Baran, 2003 This is a story of a first generation son of immigrant parents who came to America after the turn of the century in the early 1900 s It traces the life of a boy who never lost sight of who he was or what was expected of him His formative years were spent during the great depression in an area that had little to offer but where much was expected even when the going proved difficult It is a story that disguises pathos as humor even though the humor is genuine It portrays a life fraught with difficulty but where each difficulty is overcome by sheer force of willpower The writer displays affection for his mother by portraying a person of such great strength and character that one must imagine a giant only to find a thin aging woman barely five feet tall Each segment of the story has its own unique appeal One episode dealing with the writer s description of life at a CCC camp is especially compelling It deals with Polish American boys interacting with the Catholic Church three thousand miles from home and is sure to bring a tear to the eye of even the hardest heart Although the entire piece is essentially esoteric it has meaning and purpose to anyone who survived that era Reviewed by Tom Topolski

Starting with Goodbye Lisa Romeo, 2018-05-01 Starting with Goodbye begins with loss and ends with love as a midlife daughter rediscovers her enigmatic father after his death Lisa has little time for grief but when her dead dad drops in for conversations his absent presence invites Lisa to examine why the parent she had turned away from in life now holds her spellbound Lisa reconsiders the affluent upbringing he financed filled with horses lavish vacations bulging closets and the emotional distance that grew when he retired to Las Vegas and she remained in New Jersey where she and her husband earn moderate incomes She also confronts death rituals navigates new family dynamics while living both in memory and the unfolding moment In this brutally honest yet compelling portrayal and tribute Lisa searches for meaning reconciling the
