Down The Rabbit Hole Gender Swap Erotica:

Fanfiction as Queer Healing Alice M. Chapman-Kelly, 2024-10-31 Exploring the phenomenon of Femslash fanfiction fan narratives that bring together heterosexual female characters from mainstream media and fiction this book analyses fan authored works as forms of literature worthy of studying at length It examines the anti racist feminist sapphic fan works produced in response to white supremacist heteronormative queerbaiting mainstream fantasy and argues that they represent a significant site of queer healing for marginalised audience members Focusing on the Swan Queen fandom where fans pair the white trash heroine Emma Swan and the villainous Latina Evil Queen Regina Mills from ABC's hit show Once Upon a Time Alice Kelly redresses the widespread academic neglect of queer female fandoms and responds to urgent calls to diversify fan and fantasy scholarship With reference to complex theoretical subjects such as ethnography sociology psychology and decolonial queer film and media studies the book also delves into the alternative timescales on which queer female and genderqueer fan authorship runs offers intriguing insights into fanfiction narrative structures and tackles the issues of broader fandom representation and contextualization Making the case that fan texts deserve attention in the academy Kelly shows how some of the most prolific fan works have the ability to enact colour reparation and a reclamation of memory fantasy romance maternity childhood parenting and magic These fictions serve fan communities as a whole through intersectional challenges to the power dynamics of the source text and within the fandom itself and as the book demonstrates offer attendant validation to fantasy fans who have been repeatedly told that the genre is not for them

Queering Masculinities in Language and Culture Paul Baker, Giuseppe Balirano, 2017-12-08 How do we learn what it means to be a man And how do we learn to question what it means to be a man This collection comprises a set of original interdisciplinary chapters on the linguistic and cultural representations of queer masculinities in a range of new and older media television film online forums news reporting advertising and fiction This innovative work examines new and emerging forms of gender hybridisation in relation to complex socialisation and immigration contexts including the role of EU institutions in ascertaining asylum seekers sexual orientation and the European laws on gender policy The book employs numerous analytical approaches including critical discourse analysis corpus linguistics multimodal analysis literary criticism and anthropological and social research The authors show how such texts can disrupt question or complicate traditional notions of what it means to be a man queering the idea that men possess fixed identities or desires instead arguing that masculinity is constantly changing and negotiated through the cultural and political overlapping contexts in which it is regularly produced These nuanced analyses will bring fresh insights for students and scholars of gender masculinity and queer studies linguistics anthropology and semiotics

a tumblr book Allison McCracken, Alexander Cho, Louisa Stein, Indira N Hoch, 2020-10-26 This book takes an extensive look at the many different types of users and cultures that comprise the popular social media platform Tumblr Though it does not receive nearly as much attention as other social media such as

Twitter or Facebook Tumblr and its users have been hugely influential in creating and shifting popular culture especially progressive youth culture with the New York Times referring to 2014 as the dawning of the age of Tumblr activism Perfect for those unfamiliar with the platform as well as those who grew up on it this volume contains essays and artwork that span many different topics fandom platform structure and design race gender and sexuality including queer and trans identities aesthetics disability and mental health and social media privacy and ethics An entire generation of young people that is now beginning to influence mass culture and politics came of age on Tumblr and this volume is an indispensable guide to the many ways this platform works

The Second Life Herald Peter Ludlow, Mark Wallace, 2007 When a virtual journalist for a virtual newspaper reporting on the digital world of an online game lands on the real world front page of the New York Times it just might signal the dawn of a new era Virtual journalist Peter Ludlow was banned from The Sims Online for being a bit too good at his job for reporting in his virtual tabloid The Alphaville Herald on the cyber brothels crimes and strong arm tactics that had become rife in the game and when the Times the BBC CNN and other media outlets covered the story users all over the Internet called the banning censorship Seeking a new virtual home Ludlow moved the Herald to another virtual world the powerful online environment of Second Life just as it was about to explode onto the international mediascape and usher in the next iteration of the Internet In The Second Life Herald Ludlow and his colleague Mark Wallace take us behind the scenes of the Herald as they report on the emergence of a fascinating universe of virtual spaces that will become the next generation of the World Wide Web a 3 D environment that provides richer more expressive interactions than the Web we know today In 1992 science fiction writer Neal Stephenson imagined the Metaverse a virtual space that we would enter via the Internet and in which we would conduct important parts of our daily lives According to Ludlow and Wallace that future is coming sooner than we may think They chronicle its chaotic exhilarating frightening birth including the issue that the mainstream media often ignore conflicts across the client server divide over who should write the laws governing virtual worlds
