Down South Bourbon Pork Gulf Shrimp Second Helpings Of Everything:

Down South Donald Link, Paula Disbrowe, 2014-02-25 The James Beard Award winning chef behind some of New Orleans's most beloved restaurants including Cochon and Herbsaint Donald Link unearths true down home Southern cooking in this cookbook featuring more than 100 recipes Link rejoices in the slow cooked pork barbecue of Memphis fresh seafood all along the Gulf coast peas and shell beans from the farmlands in Mississippi and Alabama Kentucky single barrel bourbon and other regional standouts in 110 recipes and 100 color photographs Along the way he introduces all sorts of characters and places including pitmaster Nick Pihakis of Jim N Nick's BBQ Louisiana goat farmer Bill Ryal beloved Southern writer Julia Reed a true Tupelo honey apiary in Florida and a Texas lamb ranch with a llama named Fritz Join Link Down South where tall tales are told drinks are slung back great food is made to be shared and too many desserts it turns out is just the right amount

Inventing Authenticity Carrie Helms Tippen, 2018-08-12 In *Inventing Authenticity* Carrie Helms Tippen examines the rhetorical power of storytelling in cookbooks to fortify notions of southernness Tippen brings to the table her ongoing hunt for recipe cards and evaluates a wealth of cookbooks with titles like *Y'all Come Over and Bless Your Heart* and famous cookbooks such as Sean Brock's *Heritage* and Edward Lee's *Smoke and Pickles* She examines her own southern history grounding it all in a thorough understanding of the relevant literature The result is a deft and entertaining dive into the territory of southern cuisine black eyed peas and cornbread fried chicken and fried okra pound cake and peach cobbler and a look at and beyond southern food tropes that reveals much about tradition identity and the yearning for authenticity Tippen discusses the act of cooking as a way to perform and therefore reinforce the identity associated with a recipe and the complexities inherent in attempts to portray the foodways of a region marked by a sometimes distasteful history *Inventing Authenticity* meets this challenge head on delving into problems of cultural appropriation and representations of race thorny questions about authorship and more The commonplace but deceptively complex southern cookbook can sustain our sense of where we come from and who we are or who we think we are

Consuming Identity Ashli Quesinberry Stokes, Wendy Atkins-Sayre, 2016-11-02 Southerners love to talk food quickly revealing likes and dislikes regional preferences and their own delicious stories Because the topic often crosses lines of race class gender and region food supplies a common fuel to launch discussion *Consuming Identity* sifts through the self definitions allegiances and bonds made possible and strengthened through the theme of southern foodways The book focuses on the role food plays in building identities accounting for the messages food sends about who we are how we see ourselves and how we see others While many volumes examine southern food this one is the first to focus on food's rhetorical qualities and the effect that it can have on culture The volume examines southern food stories that speak to the identity of the region explain how food helps to build identities and explore how it enables cultural exchange Food acts rhetorically with what we choose to eat and serve sending distinct messages It also serves a vital identity building function factoring heavily into our memories narratives and understanding of who we are

Finally because food and the tales surrounding it are so important to southerners the rhetoric of food offers a significant and meaningful way to open up dialogue in the region By sharing and celebrating both foodways and the food itself southerners are able to revel in shared histories and traditions In this way individuals find a common language despite the divisions of race and class that continue to plague the South The rich subject of southern fare serves up a significant starting point for understanding the powerful rhetorical potential of all food **The Times-picayune Index** ,1993 *Shrimp* Jay
Pierce,2015-03-02 Recalling boyhood shrimping expeditions with his father and summoning up the aromas and flavors of a southern shrimp boil or shrimp fry chef Jay Pierce brings America s favorite shellfish to center stage with fifty recipes for southern classics contemporary dishes and international delicacies Pierce s lively introduction focuses on the South s fishing and culinary connections with shrimp which are abundant in the estuaries and bays that line southern shores Shrimp he notes are one of the last truly wild creatures that Americans consume in significant quantities Pierce encourages today s cooks to support local shrimp fisheries in order to help ensure that future generations will continue to enjoy American sourced shrimp in abundance and he explains how to procure the freshest shrimp throughout the cycle of seasons While shrimp is popular throughout the region for entertaining a backyard crowd it is also a go to ingredient for the special occasion menu Demystifying fancier dishes and offering everyday cooks step by step instructions for all stages of preparation Pierce highlights just how deliciously versatile shrimp can be
