Adam and Eve after the Pill, Revisited Mary Eberstadt,2023-01-25 Celebrated author Mary Eberstadt continues her ground breaking examination of the legacy of the sexual revolution The book s predecessor Adam and Eve after the Pill 2012 dissected the revolution s microcosmic fallout via its empirical effects on the lives of men women and children This follow on book investigates the revolution s macrocosmic transformations in three spheres society politics and Christianity It also includes an analysis of the recent U S Supreme Court decision that overturned Roe v Wade With unflinching logic Eberstadt summarizes the toll on Western society of today s fractured homes feral children and social isolates Empathetic yet precise

she connects the dots between shrinking broken families and rising sexual confusion seen most recently in transgenderism and related phenomena The book also traces the dissolution of the home to signature developments in Western politics especially the increase in acrimony polarization street violence and identity politics The result is an indictment of the turn taken by much of the world following the post 1960s embrace of contraception and the stigmatization of traditional morality The book s section on the revolution s infiltration of the churches is must reading for anyone concerned about the fate of Western Christianity In a moment when millions wonder whether the Catholic Church will retreat from age old moral teachings this book demands to be put at the center of discussion Adam and Eve after the Pill Revisited is both an indispensable blueprint for today s emerging revisionism and a manifesto for a more humane order to come *Celebrity and New Media* Stephanie Patrick, 2022-05-04 This book looks back to the early days of new and social media to examine the potential threat that such technologies and platforms posed to the mainstream corporate media s gatekeeping and its ability to exploit humiliate and even violate famous women Drawing on her own experiences working as part of this gatekeeping system Stephanie Patrick argues that in order to combat this threat the mainstream media doubled down on gendered narratives of meritocracy that legitimized certain male celebrities over others Using a range of case studies spanning old media sites and new including Disney Playboy and reality television this book demonstrates that sexual exploitation and violation could be considered constitutive of female celebrity rather than a side effect Patrick s case studies include some of America s most famous celebrities including Miley Cyrus Lindsay Lohan Anna Nicole Smith Paris Hilton and Donald Trump urging readers to question their assumptions about these figures and their public trajectories This nuanced exploration of patriarchal capitalism and women s ongoing sexual exploitation by the media will be an important reference for scholars and students of digital and new media journalism celebrity studies and gender studies **ANNO 2021 LA SOCIETA' PRIMA**

Economia Criativa Victor Mirshawka, 2019-08-28 Versão Digital Completa com todo conteúdo dos Volumes 1 e 2 livros impressos num só arquivo. Adaptar-se ou perecer: agora como sempre, esse foi o imperativo inexorável da natureza. É o que está acontecendo agora com os empregos das pessoas de onde elas extraem o seu sustento para sobreviver. Nessa última década, em especial, a evolução cada vez mais intensa da inteligência artificial ou seja, a forma como o ser humano está criando robôs que podem executar muitas das tarefas que anteriormente eram executadas pelos seres humanos inclusive com custos menores e melhor desempenho está reduzindo sensivelmente os postos de trabalho. Em breve, até os automóveis não precisarão mais ser dirigidos pelos seres humanos. Se no início pensou-se em desenvolver robôs para que eles fizessem trabalhos que os humanos não desejariam executar, agora eles fazem muitos serviços que os humanos faziam, os quais assim ficam sem empregos. E onde que os empregos não serão tomados tão rapidamente pelas máquinas inteligentes. Tudo indica pelo menos para as próximas duas décadas que os setores que menos sofrerão são aqueles que constituem a Economia Criativa. Esses setores são apresentados neste livro num total de 18 e por isso você deve conhecê-los bem, pois certamente poder redirecionar a sua carreira para algum deles caso esteja na iminência de ficar sem emprego. Leia com atenção este livro pois aqui pode estar o novo rumo que você deve tomar na sua vida.

The Vegas Diaries Holly Madison, 2016-06-21 The #1 New York Times bestselling author returns with this candid, humorous and captivating memoir chronicling her journey toward reinvention and self-acceptance. When you've come out the other side of the bizarre, twisted world of the Playboy mansion, where do you land? If you're Holly Madison, there's no place like Las Vegas. After making the sudden decision to reclaim her life, Holly broke free from the sheltered, deceptive confines of the mansion, which meant exiting a hit television show and was determined to start her life over from scratch. Without the security of a job or relationship, she set out to reinvent herself on no one's terms but her own. Deciding to roll the dice and begin again in the glamorous and dreamlike city of Las Vegas, Holly quickly realized that while she may have left her past in the rearview mirror, the labels and stereotypes that came from it weren't so quick to leave her. With a fierce commitment to take charge of her own narrative, Holly dives headfirst into a journey of self-discovery. After a whirlwind stint on *Dancing with the Stars*, she snags the coveted lead role in the Strip's hottest new burlesque spectacular and lands a reality series spotlighting her new life as a single woman. If her own television show and dream job as a showgirl weren't enough to keep her busy, Holly explores the decadent, exclusive inner world of Sin City, navigating its social and dating scene with humor and heart. When it

comes to romance she is met with an eclectic cast of characters from fame hounds to long distance loves to the occasional celebrity and more than one tabloid mishap In this reflective heartwarming memoir Holly learns that each dating disaster holds an important and in some cases difficult to face lesson about herself The Vegas Diaries is a comedy of errors set against the glitz and glamour of the dazzling Vegas strip Through the wild and crazy experiences on one young woman s quest to have it all Holly faces her fears anxieties and insecurities to discover that her journey to self sufficiency is also her path to healing Letting go of trying to prove herself to others Holly finally gains the courage to confront her past and in the process finds the life and love she deserves
