

Deadly Nadder

This dragon is very vain and has an explosive temper. It spends a great deal of time preening itself. Nadder is very fast, can shoot spikes from its tail, and breathes the hottest fire of all dragons, capable of melting metal.

Terrible Terror

Terrible Terror is roughly the size of a housecat, but is one of the most feared. Its size is deceiving, and its fire blast is pinpoint accurate. They spend most of their energy fighting amongst themselves, like rowdy siblings.
