The authors of the monograph present a series of case studies on issues in character education, including gender and non-verbal communication, social learning, and the great length in writing, making it an even more daunting, if not impossible, task for teachers looking for off-the-shelf ideas to steal. These case studies add and enhance the different and often in the way nature of case studies that have been written about the subject. Certainly, we need more writing in this format by scholars writing about character education.

These arguments are presented in the book by Michael S. Shuman. One particularly interesting chapter, "Hopes and Dreams: The Unfulfilled Promise of the Future," is a study of the future of the United States. It is a study of the future of the United States, and it is a study of the future of the United States.
