The Savage Frank Bill, 2017-11-14 The acclaimed author of Donnybrook returns with a vengeance in this brutal tale of America in chaos as gangs and militias reign supreme Kirkus Frank Bill s America has always been stark and violent In his new novel he takes things one step further the dollar has failed the grid is wiped out Van Dorn is eighteen and running solo dodging the bloodthirsty hordes and militias that have emerged since the country went haywire His dead father s voice rings in his head as he sets his sights on something more than survival an old fashioned sense of justice Meanwhile a leader has risen among the gangs Around him swirls the cast of brawlers from the days of Donnybrook with their own brutal sense of justice through strength In this frighteningly plausible vision of American apocalypse Frank Bill turns his shotgun prose on our addiction to technology the values and skills we ve lost and what happens when the systems of morality and society collapse

Back to the Dirt Frank Bill, 2023-05-09 Frank Bill is back with a gritty wrenching novel from deep inside the traumas of a broken American heartland Miles is a Vietnam veteran who s worried he s going to lose his job and with it his tenuous grasp on a stable life over a fight with a coworker His PTSD and struggles to control his steroid fueled violent tendencies also complicate his relationship with his girlfriend Shelby a stripper who only occasionally displays the proverbial heart of gold She s certainly kinder and more generous than her brother Wylie who has been implicated in the deaths of two local Oxy dealers and is currently on the run When Wylie kidnaps Shelby and holes up in Miles s country lair it all threatens to become a bit too much for Miles As Frank Bill peels back the layers of Miles s history going deep into his memories of the Vietnam War Back to the Dirt gets to the root of the traumas that have caused Miles and his community so much adversity In this blistering novel Bill reaches for the core values living close to the land working with your hands that have been obscured by generations of neglect drug abuse and desperation This is a profound and important story of an America that is only beginning to get its due attention and Frank Bill is its most visceral essential chronicler
