Places of Childhood Fancy Michael G. Cornelius,Marybeth Ragsdale-Richards,2023-01-11 Many of us grew up exploring fascinating worlds in books films and most importantly our imaginations places filled with mythological characters and magical landscapes where we had stunning experiences punctuated by the harmless pleasures that any child s mind can conjure These worlds sometimes end up in our childhood fictions which have in turn shaped countless imaginations and childhood adventures The essays in this book attempt to comprehend the worlds of children s progressive fiction from how they are created to how they affect readers This book explores what happens when speculative genres fantasy horror and science fiction and imaginative spaces collide headlong with the realities and surrealities of modern childhood It moves back and forth between Oz Wonderland Redwall and Fear Street and explores series such as Nancy Drew Inkheart The Mortal Instruments the Miss Peregrine series and more Many of these works feature children who must save the day to stop the bad guy kill the monster complete the quest and rescue adults leading us to wonder if fantastic spaces in children s progressive fiction are really helping kids prepare to save the world rather than helping them temporarily escape it

Her stoic uncle seems to be having second thoughts about looking after her. The school bully Logan is increasingly malicious. And her only friend Billy Thunder is just a dog again. As if that weren't enough there's something wild lurking in the woods around the farm. Do Rage's dreams hint at a sinister threat to two worlds. **The Crossing Point** August Arrea, 2021-08-17

Children of the Watchers Sibyl Graham, 2014-05-07 He came here from another world but he doesn't remember that. He came for a purpose but he doesn't remember what that was. He came looking for his brother but he doesn't recognize him when he sees him. He's sick and doesn't know why. The people that find him do their best to help him but they also seem fascinated by everything about him the way he looks talks and the things he does. They say he does things no one else can do. When she first saw him she couldn't believe her eyes. He looked like some giant decathlon athlete with the face of an angel. In truth he had the most beautiful masculine face she had ever seen on a man. It was odd though. He seemed entirely unaware of this probably because he had amnesia. But then strange things began to happen.
