50 Fantastic Ideas for Storytelling Judit Horvath, 2017-07-13 _____ The 50 Fantastic Ideas series is packed full of fun original skills based activities for Early Years practitioners to use with children aged 0-5. Each activity features step by step guidance, a list of resources and a detailed explanation of the skills children will learn. Creative, simple and highly effective, this series is a must have for every Early Years setting. This book contains simple but creative ideas to help practitioners prompt and aid storytelling for and with the children in their setting. Amongst many popular activities, listening to and telling stories is fundamental to every early years setting. Apart from being fun and exciting, storytelling has many functions in children's development, helping them to make sense of the world and organize events and experience. Children often retell their adventures as stories, from the simple event of having dinner to major happenings such as falling down the stairs. The story organizes events from the past and as they happen, and both the story and its telling convey important information about relationships, thoughts and feelings, and the children's personal life in general. Great Reading and Phonics Ideas for First Grade Teachers Kathy Redd, 2009-05-11 Great Reading and Phonics Ideas For First Grade Teachers has some tried and tested ideas for helping the first grade teacher get through the very hectic reading process with first graders. The first part of the book consists of a game called the Phonics Game. It is a game that the author used for at least 20 years to help many students learn to decode words. After using this game, students will be able to decode almost any word which they come upon. Another part of the book gives an organized method of working with students when learning sight words. With this method, the students can progress learning sight words at their own pace but also have the incentive to do so. There is also some cool ideas for organizing books and some fun things to do after students have read a story. For an added surprise, there is a wonderful gift for students to make their parents for Christmas.
