***Down and Out in Paris and London* George Orwell, 2018-04-26** This unusual fictional account, in good part autobiographical, narrates without self-pity and often with humor the adventures of a penniless British writer among the down and out of two great cities. The Parisian episode is fascinating for its expose of the kitchens of posh French restaurants where the narrator works at the bottom of the culinary echelon as dishwasher or plongeur. In London, while waiting for a job, he experiences the world of tramps, street people, and free lodging houses. In the tales of both cities, we learn some sobering Orwellian truths about poverty and society. We are delighted to publish this classic book as part of our extensive Classic Library collection.
