Down London Road:

Down London Road Samantha Young, 2013-05-07 A woman used to taking charge is about to meet a man who will make her lose control in this novel from the New York Times bestselling author of *On Dublin Street*. It has always been up to Johanna to care for her family particularly her younger brother Cole. With an absent father and a useless mother she's been making decisions based on what's best for Cole for as long as she can remember. She even determines what men to date by how much they can provide for her brother and her not on whatever sparks may or may not fly. But with Cameron MacCabe the attraction is undeniable. The sexy new bartender at work gives her butterflies every time she looks at him. And for once Jo is tempted to put her needs first. Cam is just as obsessed with getting to know Jo but her walls are too solid to let him get close enough to even try. Then Cam moves into the flat below Jo's and their blistering connection becomes impossible to ignore. Especially since Cam is determined to uncover all of Jo's secrets even if it means taking apart her defenses piece by piece.

A single to Oxford Street , The Players And The Game Julian Symons, 2012-09-30 Count Dracula meets Bonnie Parker. What will they do together? Is this the beginning of a sadistic relationship or simply an extract from a psychopath's diary? Either way it marks the beginning of a dangerous game that is destined to end in chilling terror and bloody murder.

East Kent Road Car Company Ltd: Services of the Jubilee Era Richard Wallace, 2019-05-31 *East Kent Services of the Golden Jubilee Era* takes the reader on a journey along the routes of all the stage carriage services operated by East Kent in 1968 just after the Company celebrated its Golden Jubilee in 1966/7 and immediately prior to the National Bus Company (NBC) taking full control. Supported by over two hundred and fifty photographs most not published before of nearly every bus route as well as most London express services and all the operational garages this book reveals the contrasting nature of East Kent's services from rural byways to the seasonal but very busy routes serving the still popular resorts around the Kent coast. It includes a comprehensive fleet list and details a specimen allocation of cars to each service on a typical day in 1968, local route maps of all major town services as well as a sectionalised reproduction of the original East Kent network map of 1968 and finally a summary of the Centenary celebrations of 2016.
