But as the nations of Krynn prepare to fight for their homes their lives and their freedom longstanding hatreds and prejudices interfere. When fighting breaks out among the races it seems the battle is lost before it even begins. Meanwhile the heroic Companions have been torn apart by war. A full season will pass before they meet again if they meet again. Raistlin has made an ominous prediction one that implies not all of the Companions will survive the fight. His warning along with sinister dreams haunt the friends as they search for the weapons that will stop the Dark Queen in her tracks the mysterious Dragon Orbs and legendary Dragonlance.
