

EATING THE LORD

From beginning to end, the Bible speaks of eating the Lord. When God created man, He placed man in front of Himself as the tree of life, and rather than commanding man concerning praise or worship,

He commanded man to eat. The Old Testament speaks further concerning the matter of eating in its presentation of the types of the Passover lamb, the offerings in the tabernacle, and the produce of the good land of Canaan. The New Testament also speaks very clearly concerning our eating, especially in its presentation of Christ as the portion of all the believers.

In *Eating the Lord* Witness Lee unveils the great scriptural truth that eating the Lord is simply to enjoy the Lord so that God can impart Himself into man to fulfill His heart's desire. When we believed in the gospel, a great feast was spread before us, and day by day we can keep this feast by cooperating with the Lord's inward operation. In this way Christ will be an abundant portion for our enjoyment and for those with whom we share Him.

ABOUT THE AUTHOR

Born in 1905 in northern China, Witness Lee was raised in a Christian family and educated in English-speaking schools. At the age of 19 he believed in the Lord Jesus Christ and consecrated himself to preach the gospel. Early in his service, Witness Lee met Watchman Nee and began to labor together with him. In 1949 Witness Lee was sent by Watchman Nee to Taiwan to ensure that the things delivered to them by the Lord would be preserved. In 1962 Witness Lee came to the United States and began to minister here. He ministered in weekly meetings and in weekend conferences, delivering several thousand spoken messages until 1997. He gave his last public conference in February 1997 at the age of 91. His major work, Life-study of the Bible, comprises over 25,000 pages of commentary on every book of the Bible from the perspective of the believers' enjoyment and experience of God's divine life in Christ through the Spirit.

Eating The Lord:

Eating the Lord Witness Lee, 2000-09-01 From beginning to end the Bible speaks of eating the Lord When God created man He placed man in front of Himself as the tree of life and rather than commanding man concerning praise or worship He commanded man to eat The Old Testament speaks further concerning the matter of eating in its presentation of the types of the Passover lamb the offerings in the tabernacle and the produce of the good land of Canaan The New Testament also speaks very clearly concerning our eating especially in its presentation of Christ as the portion of all the believers In *Eating the Lord* Witness Lee unveils the great scriptural truth that eating the Lord is simply to enjoy the Lord so that God can impart Himself into man to fulfill His heart's desire When we believed in the gospel a great feast was spread before us and day by day we can keep this feast by cooperating with the Lord's inward operation In this way Christ will be an abundant portion for our enjoyment and for those with whom we share Him

The Lord's Recovery of Eating Witness Lee, 2024-02-20 The profound thought of the Bible is that God wants to impart His divine life and nature into His redeemed and regenerated elect in order to make them God men To accomplish this desire God first created man as a vessel for Himself and then presented Himself to man as food All believers know the importance of loving and serving the Lord However many have not seen the need to receive Him as their supply and content The believers need to daily be bountifully supplied with the divine life in order to be recovered to the central desire of God In *The Lord's Recovery of Eating* Witness Lee unveils the fundamental scriptural truth that we must breathe the Lord as the living air drink Him as the living water and eat Him as the bread of life to receive Him and enjoy Him in our regenerated human spirit through a normal living of calling on His name

The Recovery of Eating and Enjoying Christ for God's Building Witness Lee, 2025-08-08 The Bible is a book of eating It is not a book of doctrines but a book of eating and enjoyment With enjoyment there is rejoicing and the best eating is a joyful eating an eating with rejoicing The Bible begins with eating in Genesis 2 and ends with eating in Revelation 22 In the Old Testament four categories of eating are revealed and throughout the New Testament we see the matter of eating the Lord Jesus partaking of Christ and enjoying the riches of Christ As we enjoy the riches of Christ we grow and this growth is for the building up of the Body of Christ The church is the Body of Christ the fullness of the One who fills all in all The fullness of Christ comes from our eating and enjoying the riches of Christ The unique way for the riches of Christ to issue in the built up Body of Christ is by our partaking of that is eating these riches Today what Christ needs is not a group of people who hold to various doctrines and practices but a Body that feeds on Him grows with Him and is transformed by Him to eventually become His fullness The Lord's intention is to gain such a Body and this is what He is working to accomplish
