The Boss Project Vi Keeland, 2022-07-11 A new sexy standalone from 1 New York Times Bestseller Vi Keeland The first time I met Merrick Crawford was during my job interview Well technically I'd met him twenty minutes earlier when he'd barged into a fitting room a few doors down from my appointment I yelled He yelled After an argument while standing in my bra I proceeded to smash the door into the gorgeous jerk trying to yank it shut As you might imagine I was freaked out when I discovered that the rude guy was my potential new boss Yet he didn't seem to recognize me Or so I thought Until we wound up bickering again during my interview and he told me to go sniff my armpit Okay so maybe I hadn't exactly been changing when he walked in on me In my defense I'd been stuck on a hot train for two hours and wanted to make sure I didn't smell I obviously didn't expect to get the job But somehow an invitation to a second interview arrived in my inbox Before I left I asked to see Merrick I needed to know why I was even in consideration after our disastrous start Turned out Merrick only wanted to hire me because I was the least competent candidate It seemed his board was making him fill the position against his wishes I didn't really want to work in a place where my boss expected me to fail But I figured maybe I'd enjoy proving him wrong It was a little thing I dubbed the boss project What I wasn't prepared for was that there would be other things I'd enjoy doing to Merrick Crawford Getting involved with the boss wasn't the smartest choice But you know what they say about choices Some we regret some we are proud of I just had no idea where this one was going to land
