Comrades Tales Of A Brigadista In The Spanish Civil War:

Comrades Harry Fisher, 1999-08-01 The Spanish Civil War served as an ideological and physical battleground for visionary Americans wishing to combat the spread of fascism Harry Fisher was one such idealist who became a soldier in the famed Abraham Lincoln Brigade the American contingent of international volunteers dedicated to defeating Franco's forces Fisher was one of the earliest American volunteers and one of the few to participate in all the major battles Under a barrage of shells bombs and bullets for eighteen months he lost his illusions about war's efficacy in solving political issues To this day a despondence often overwhelms him when he recalls a family photograph he found jutting from the pocket of a slain fascist soldier His involvement taught him that up close the dead whether fascist soldiers or his own fallen comrades looked alike This is a war story simply told Yet it is also a complex story about a young man testing his ideology in the harsh realities of battle **Transatlantic Anarchism during the Spanish Civil War and Revolution, 1936-1939** Morris

Brodie, 2020-04-08 Between 1936 and 1939 the Spanish Civil War showcased anarchism to the world News of the revolution in Spain energised a moribund international anarchist movement and activists from across the globe flocked to Spain to fight against fascism and build the revolution behind the front lines Those that stayed at home set up groups and newspapers to send money weapons and solidarity to their Spanish comrades This book charts this little known phenomenon through a transnational case study of anarchists from Britain Ireland and the United States using a thematic approach to place their efforts in the wider context of the civil war the anarchist movement and the international left **The Spanish Civil War**

Charles J Esdaile, 2018-10-10 **The Spanish Civil War A Military History** takes a new military approach to the conflict that tore Spain apart from 1936 to 1939 In many histories the war has been treated as a primarily political event with the military narrative subsumed into a much broader picture of the Spain of 1936-9 in which the chief themes are revolution and counter-revolution While remaining conscious of the politics of the struggle this book looks at the war as above all a military event and as one in whose outbreak specifically military issues particularly the split in the armed forces produced by the long struggle in Morocco 1909-27 were fundamental Across nine chapters that consider the war from beginning to endgame Charles J Esdaile revisits traditional themes from a new perspective deconstructs many epics and puts received ideas to the test as well as introducing readers to foreign language historiography that has previously been largely inaccessible to an anglophone audience In taking this new approach **The Spanish Civil War A Military History** is essential reading for all students of twentieth century Spain *Searching for Barton Carter* Nancy Barton Carter Clough, 2015-08-27 In 1936 Barton

Carter a talented young man from a wealthy New England family turned away from the future laid out for him to fight against Fascism in the Spanish Civil War and disappeared in the midst of that fight when he was only twenty-three years old Carter had just been jilted by his English fiancée two weeks before their wedding when a Spanish Nationalist acquaintance asked him to travel to Barcelona to retrieve some of his family's possessions Carter jumped at the chance for an adventure and a change

of scene During his two week Spanish sojourn his beliefs were radically changed by exposure to the countrys civil war driving his involvement in Communisma political movement in opposition to everything for which his family stood He also found himself working with Spanish orphans and serving as the administrator of four orphanages where he saved the lives of thousands of children This narrative biography explores the life of a young American who saw the horrific effects of Fascism on the children of Spain and responded with bravery and dedication to rescue them **The Spanish Civil War** Renate Bridenthal, Marvin E Gettleman, 2004 Teaching Representations of the Spanish Civil War Noël Valis, 2007-01-20 It was the stuff of Capa Hemingway Orwell Picasso Rodoreda Sender and a host of others working in Catalan German Irish and Spanish from both sides of the Atlantic It is also very difficult to teach not only because the Spanish Civil War is perceived as the precursor to World War II but also because it has been heavily romanticized This collection of articles and resources cuts to the events and their real impact on history literature and the arts and includes commentary on contexts rhetoric ideology writing film music iconography and the visual memory and displacement This stands alone as a series of accounts of the ways the war was and is represented giving narratives of such elements as the memories of the Abraham Lincoln Brigade and the uses of allegory but it is also particularly valuable through its lists of resources and course syllabi The Journal of Military History , 2000 **History in Dispute** Benjamin Frankel, 2000 Annotation Offers students different critical perspectives on major historical events drawn from all time periods and from all parts of the globe Each volume has a thematic era or subject specific focus and contains roughly 50 entries Entries begin with a brief overview summarizing the controversy followed by two or more signed point counterpoint essays **War Studies Journal** , 1999 **Contemporary Authors** Julie Mellors, 2005-09 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers **Los brigadistas de habla inglesa y la Guerra Civil española** Antonio Rodríguez Celada, Manuel González de la Aleja, Daniel Pastor García, 2006 **Program of the Annual Meeting - American Historical Association** American Historical Association, 1999 Some programs include also the programs of societies meeting concurrently with the association **International Review of Social History** , 2000 **International Journal of Iberian Studies** , 1998 Radical Historians Newsletter , 1997 **The Best Books for Academic Libraries: World history** , 2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers **What's Up Doc?** , 1997 **Cumulated Index to the Books** , 1999 **The Nation** , 1998-07 **Current Contents** , 1999
