to listen That's where *10 Secrets to a Bestseller: An Author's Guide to Self Publishing* comes in. Thoughtfully crafted by Tim McConnehey, the creative force behind numerous award-winning and bestselling books, this in-depth, approachable guide will help you navigate the complex world of self-publishing from crucial steps like researching your market and designing a great cover to challenges like finding the right editor. In the past, authors were limited to a fine chemistry between themselves, an agent, and a publisher, and the selling process became increasingly focused on the commercially viable as defined by the editor marketing everyone but the reader. Now, a diversity of self-publishing options has opened up a whole new world to aspiring authors where they can reach their readers directly, but a world so diverse it can be bewildering. McConnehey helps you make sense of the process involved in bringing your book to market. Looking at real-world success stories from his self-publishing company, Izzard Ink, you'll learn the added value of professional design, what should be on your pre-publishing checklist, why proofreading is an essential though often overlooked step, how to market and distribute your book in ways proven to maximize your sales, and much more. Whether you're just beginning to outline your first memoir or you're well into your fifth novel, *10 Secrets to a Bestseller* will help you get your work into the hands of readers and take your writing career to the next level. Praise for Tim McConnehey and Izzard Ink: I have worked with the world's leading multinational companies for my books as well as managing my many speaking engagements. Izzard Ink's consultation services were some of the best. I am especially grateful for the guidance with my website and social media marketing campaigns. Izzard Ink's focus is on building authors, and people I would recommend Izzard Ink for any published or non-published author regardless of the phase they are in the process. Dan Clark, New York Times bestselling author of *The Art of Significance*, National Speaker Association Hall of Fame. My husband, W. Cleon Skousen, wrote several books including *The Naked Communist* and *The Naked Capitalist*. We were so happy when each of those became bestsellers. I was told that at last count those two books had sold more than two million copies combined. I've had Izzard Ink refresh five of Cleon's books, and all of them turned out crisp and new and attractive. Jewel P. Skousen, editor and spouse of USA Today and New York Times bestselling author W. Cleon Skousen. I am a self-publishing author/publisher and have had the best experience bar none with the Izzard Ink group. They are the best bunch of hard-working professionals that I have ever had the privilege of working with. I would recommend them to anyone looking to design a cover, create a beautiful interior, and I would recommend them for all your creative publishing needs. Tim McConnehey has held my hand through the entire process and answered my questions at all hours of the day and night. I couldn't be more pleased with the results. Diane Merrill Wigginton, author and owner of *Jeweled Dagger Publishing*. I owe my new friends at Izzard Ink a tremendous debt of gratitude. They walked me through self-publishing 101 and helped me turn my non-sellers into great sellers. One title was a bestseller on Amazon. Until I met Izzard, I didn't know how little I knew about post-writing development to produce a polished, professional-looking book. They cared about making me a success. And where some prior efforts produced a couple of duds, they guided me to help so I could repair the flaws and try again. It was worth it.

Highly recommend Izzard Ink Sometimes you just need somebody who knows the way Paul Skousen bestselling author and former White House CIA analyst Working with Tim was as effective as it was enjoyable As a first time author speaking on the phone with Tim for the first time one of the first things he said to me was I just want to see your book be successful That simple statement was the clear motivation of every interaction we had from that very first conversation all the way to me holding a finished copy of my book in my hands It is immediately clear when speaking with Tim that his knowledge of this business is only surpassed by his willingness to help I couldn't be more satisfied and grateful for his help to make my book a reality I would recommend Izzard Ink to anyone and everyone without any hesitation Tim and the Izzard Ink team offer professional advice and hands on help that truly does range from A to Z Robbie Tripp public speaker and author of Create Rebellion
