Q.No. 36

Read the following text and answer the question on the basis of the same:

The name and taste of Coca-Cola is known to almost each and every individual in India as well as throughout the world. This carbonated soft drink holds the most market share in the soft drink market and got itself a special seat in each and every gathering. The Coca-Cola Company has on occasion introduced other cola drinks under the Coke name. The most common of these are Diet Coke, along with others including Caffeine free Coca-Cola, Diet Coke Caffeine free, Coca-Cola Zero Sugar, Coca-Cola Cherry, Coca-Cola Vanilla and the list goes on. It has capitalized on each and every opportunity to market itself effectively and place itself in the middle of every gathering.

The main reason for such an outstanding placement of product goes to the way they have established the connection between every occasion and the need for Coke to be present there, product design and creative advertising.

Identify the feature of Business Environment which The Coca-Cola Company managed to get in their favour.

and integrated in grown businesses to effectively support top management decision making in terms of monitoring for insolvency triggers To answer this question the paper starts defining relevant terms and the conceptual background referring to management information systems business planning and corporate insolvency Afterwards it captures how business plans should be tailored according to the top management s needs based on the management information system Ultimately the paper s target is to show the implications of business planning and critically discuss how business plans can support the top management in establishing the financial plan required for monitoring insolvency triggers Bank of Japan Monetary and Economic Studies ,2016 *Deepening Africa-India Trade and Investment Partnership* African Trade Policy Centre,Confederation of Indian Industry,2018 Wacana journal of the humanities of Indonesia ,2012 Economics Working Papers: a Bibliography ,1986 **The Least Developed Countries Report 2018** United Nations,2019-01-31 For Least Developed Countries LDCs to progress towards the Sustainable Development Goals they need to transform the structure of their economy This in turn requires entrepreneurship that innovates The entrepreneurial landscape in LDCs is dominated by micro and small enterprises with low chances of survival and growth and scant innovation While LDCs are part of global value chains these provide only limited opportunities of entrepreneurship development and upgrading Most LDCs policies and programmes for entrepreneurship aim at job creation poverty reduction and women and youth empowerment For entrepreneurship to be a driving force towards structural transformation policies need to target and support high potential firms System ,1920 *Too Smart for Our Own Good: Ingenious Investment Strategies, Illusions of Safety, and Market Crashes* Bruce I. Jacobs,2018-08-17 How investment strategies designed to reduce risk can increase risk for everyone and can crash markets and economies Financial crises are often blamed on unforeseeable events the unforgiving nature of capital markets or just plain bad luck Too Smart for Our Own Good argues that these crises are caused by certain alluring investment strategies that promise both high returns and safety of capital In other words the severe and widespread crises we have suffered in recent decades were not perfect storms Instead they were made by us By understanding how and why this is so we may be able to avoid or ameliorate future crises and maybe even anticipate them One of today s leading financial thinkers Bruce I Jacobs examines recent financial crises including the 1987 stock market crash the 1998 collapse of the hedge fund Long Term Capital Management the 2007 2008 credit crisis and the European debt crisis and reveals the common threads that explain these market disruptions In each case investors in search of safety were drawn to novel strategies that were intended to reduce risk but actually magnified it and blew up markets Too Smart for Our Own Good takes a behind the curtain look at The inseparable nature of investment risk and reward and the often counterproductive effects of some popular approaches for reducing risk A trading strategy known as portfolio insurance and the key role it played in the 1987 stock market crash How option related trading disrupted markets in the decade following the 1987 crash Why the demise of Long Term Capital Management in 1998 wreaked havoc on US stock and bond markets How mortgage

backed financial products by shifting risk from one party to another created the credit crisis of 2007 2008 and contributed to the subsequent European debt crisis This broad detailed investigation of financial crises is the most penetrating and objective look at the subject to date In addition Jacobs an industry insider offers invaluable insights into the nature of investment risk and reward and how to manage risk Risk is unavoidable especially in investing and financial markets connect us all Until we accept these facts and manage risk in responsible ways major crises will always be just around the bend Too Smart for Our Own Good is a big step toward smarter investing and a better financial future for everyone IAUE Journal of Social Sciences ,2015 **Essays in Economic and Business History** ,2018 **Monetary and Economic Studies** ,2016
