The 'oddball is average' adage is a fair bit off in the way it is used to describe the world. It is not the case that the world is a place where the oddball is the norm. The world is a place where the oddball is the exception. The world is a place where the oddball is the exception. The world is a place where the oddball is the exception.

The use and the misuse of the word 'average' is a common mistake. The word 'average' is a common mistake. The word 'average' is a common mistake.
