Sanderson, David Gordon, 2009 **Inoculum** Archie Alafritz, 2020-08-12 Alec Alton is a member of an elite RCMP National Security team investigating a Pakistani drug trafficking organization. But when his suspects turn up dead, Alec joins up with a colleague, a highly specialized and skilled agent. Together they trace the drug trafficking to a terrorist financing network. As they follow the evidence and travel through Central Asia, they begin to suspect that a corrupt CIA agent had a hand in one of the worst atrocities in history. Their investigation finds them rogue agents travelling undercover through the Middle East. One by one they meet key informants, former members of the mujaheddin who each hold a piece of buried history. But they fear the CIA operative behind the rise of al Qaida are after them. Running out of time, they must debrief a list of informants before the CIA operative gets to them.
