## Basic Edition Jackets:

**Classic Book Jackets** Thomas Stansfield Hansen, 2005 Salter's life and work bridged two continents and cultures and spanned the political turmoil of the mid twentieth century He survived both world wars the rise of National Socialism in Germany and permanent exile in a new land but nothing halted his tireless and brilliant design work Classic Book Jackets tells Salter's story and describes the innovative thinking he brought to his clients and students including his designation of seven jacket types that are still valid today It includes more than two hundred reproductions of his finest works as well as a complete catalog of his jackets designs and lettering jobs for the book trade **BOOK JACKET** Hard's Year Book for the Clothing Industry ,1961 **Metric Pattern Cutting for Menswear** Winifred Aldrich, 2012-06-27 Since the first edition was published in 1980 Metric Pattern Cutting for Menswear has become established as the standard work on this subject and has proved invaluable as both a textbook for students and a reference source for the practising designer In this fifth edition the chapter on computer aided design now has full colour illustrations and reflects the growing importance of CAD to the industry and as a part of fashion and design courses The rest of the book has been updated where necessary in particular new blocks for tailored shirts new details on how to adapt men's blocks for women's wear and a revision of sizing and labelling information Colour is now used to differentiate the main groups of patterns and with its tried and tested layout with clear text and diagrams Metric Pattern Cutting for Menswear is an essential purchase for students of fashion and design

**Environmental Load Factors and System Strength Evaluation of Offshore Jacket Platforms** Zafarullah Nizamani, 2015-01-27 This book presents a study for the determination of environmental load factors for Jacket Platforms in Malaysia and a methodology to determine the life extension of aging platforms The simplified methods described here could be used for determining not only structural reliability but also safety factors Its content is particularly interesting to design and maintenance engineers who are working in offshore or onshore industry AB Bookman's Weekly ,1999 Naval Training Bulletin ,1948 **The Encyclopædia Britannica** Hugh Chisholm, James Louis Garvin, 1925 **New-Church Messenger** ,1962 *Ladies' Garment Cutting and Making* Frederick Robert Morris, 1950 Men's Wear-Chicago Apparel Gazette Edition ,1927 *Book Parts* Dennis Duncan, Adam Smyth, 2019-06-27 What would an anatomy of the book look like There is the main text of course the file that the author proudly submits to their publisher But around this hemming it in on the page or enclosing it at the front and back of the book there are dozens of other texts page numbers and running heads copyright statements and errata lists each possessed of particular conventions each with their own lively histories To consider these paratexts recalling them from the margins letting them take centre stage is to be reminded that no book is the sole work of the author whose name appears on the cover rather every book is the sum of a series of collaborations It is to be reminded also that not everything is intended for us the readers There are sections that are solely directed at others binders librarians lawyers parts of the book that if they are working well are working discreetly like a theatrical prompt whispering

out of the audience's ear shot *Book Parts* is a bold and imaginative intervention in the fast growing field of book history it pulls the book apart Over twenty two chapters *Book Parts* tells the story of the components of the book from title pages to endleaves from dust jackets to indexes and just about everything in between *Book Parts* covers a broad historical range that runs from the pre print era to the digital bringing together the expertise of some of the most exciting scholars working on book history today in order to shine a new light on these elements hiding in plain sight in the books we all read
