Fire Officer: Principles and Practice includes Navigate Advantage Access Michael J. Ward, 2019-12-18 The fourth edition of Fire Officer Principles and Practice was significantly updated and reorganized to better serve the Fire Officer I and Fire Officer II. The content meets and exceeds the job performance requirements for Fire Officer I and II in the 2020 Edition of NFPA 1021 Standard for Fire Officer Professional Qualifications. The new edition places an emphasis on the application of leadership traits and management theories, common leadership and management challenges, and how leadership is used to meet objectives. The basic principles and methods of Community Risk Reduction are also discussed. In addition, the program now has two distinct sections. Section One includes eight chapters which set the foundation for Fire Officer I knowledge and understanding. Section Two comprises six chapters which encompass the higher level competencies required for Fire Officer II. This new organization will allow you the flexibility to teach your Fire Officer I and II courses exactly the way you wish.

Fire Officer's Guide to Occupational Safety & Health Ron Kanterman, 2019-02-22 There has to be accountability at every level of the organization from the chief to the rookie. Company officers have to step up and remind those under their command of safe operations and related procedures. Accountability at all levels is key to the success of any program and it is the key to survival when it comes to firefighter safety. Chief Ron Kanterman's Fire Officer's Guide to Occupational Safety & Health is a guide to safe operations and a healthy work force. Who needs this book? Fire chiefs, fire officers, incident safety officers, and health and safety officers. Why? To gain the tools they need to operate the department within some acceptable parameters of safety and occupational health. Ask yourself these questions: Have you made firefighter safety and health a primary value of your organization? Is there a culture of safety in your fire department? Do the chief and line officers walk the walk and talk the talk? Key concepts and resources: Risk management, Personnel protection, protecting the protectors, Scene safety, The 16 Life Safety Initiatives, and The Courage to be Safe. Everyone Goes Home program, Training, Occupational safety and health, Fitness, Codes and standards that dictate and/or assist within the genre of health and safety. **California.**
