Horngren, 2001-08-31 **Management Accounting** Charles T. Horngren, 2002 This text is appropriate for one or two term first and or second year courses in Managerial or Cost Accounting at both the college and university level The new edition of this best selling text continues to emphasize a decision making approach to prepare Canadian students to be managers of accounting information It shows how accountants prepare information that is useful to managers and demonstrates why managers in all types of organizations should have an understanding of the advantages and limitations of accounting A strategic management theme running through the text allows students to relate management accounting decisions to a company's key success factors *Cost Accounting; a Managerial Emphasis* Charles T. Horngren, 1962 **Information Quality and Management Accounting** Stephan Leitner, 2013-01-24 One of the main aims of management accounting is to provide managers with accurate information in order to provide a good basis for decision making There is evidence that the information provided by management accounting systems MAS is distorted and the occurrence of biases in accounting information is widely accepted among users of MAS At the same time the intensity and the frequency of use of MAS increase

too Consequently the quality of the provided information is critical The focus of this simulation study is twofold On the one hand the impact of the sophistication of traditional costing systems on error propagation in the case of a set of input biases is investigated On the other hand the impact of single and multiple input biases on the quality of the information provided by traditional costing systems is focused In order to investigate the research questions a simulation approach is applied **CPA Review Manual** Herbert E. Miller, George C. Mead, 1979 Study Guide to Managerial Ch 12-25 Brubeck, Charles T. Horngren, 2007-04-03 *Student Guide and Review Manual* John K. Harris, 1999-07
