Handbook of Research on Global Issues in Next-Generation Teacher Education Keengwe, Jared, Mbae, Justus G., Onchwari, Grace, 2016-02-17 There is no question that all aspects of modern life have been imbued with technology. In education, students are becoming increasingly savvy in their use of the myriad technologies and virtual tools and must be taught adequate complimentary skills to be effective in the 21st century workforce. To answer this call, teachers' education must reflect modern demands by integrating the use of these tools as part of their teaching practices. The Handbook of Research on Global Issues in Next Generation Teacher Education addresses this need with precise comprehensive research and case studies. With strategies and emerging research on the empowerment of tomorrow's inspirational educational leaders, this handbook of research outlines the challenges, benefits, and opportunities of engaging teachers with the 21st century skills their students require. Teachers, students of education, administrators, and policy makers will find this publication offers a number of innovative solutions. *Political Handbook of the World 2022-2023* Tom Lansford, Jorge Brown, 2023 With more in-depth coverage of current political controversies than any other reference guide, *Political Handbook of the World 2022-2023* is the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup.
