The econocracy Joe Earle, Cahal Moran, Zach Ward-Perkins, 2016-11-03 One hundred years ago the idea of the economy didn't exist Now improving the economy has come to be seen as perhaps the most important task facing modern societies Politics and policymaking are conducted in the language of economics and economic logic shapes how political issues are thought about and addressed The result is that the majority of citizens who cannot speak this language are locked out of politics while political decisions are increasingly devolved to experts The econocracy explains how economics came to be seen this way and the damaging consequences It opens up the discipline and demonstrates its inner workings to the wider public so that the task of reclaiming democracy can begin

Civil Service Systems in East and Southeast Asia Chong-Min Park, Yousueng Han, Yongjin Chang, 2022-12-30 This book compares contemporary civil service systems across East and Southeast Asia a dynamic region of greater diversity

in local administrative tradition imported models of modern administration and the character of prevailing political institutions Featuring chapters on Japan South Korea Taiwan Singapore Hong Kong Vietnam Indonesia Thailand Malaysia and the Philippines this book provides a detailed analysis of key aspects of the civil service system including centralization recruitment classification openness of positions performance assessment promotion training and senior civil service It distinguishes four modes of public employment namely bureaucratization professionalization politicization and marketization to develop a conceptual framework for comparing the civil service system at the operational level The region s contemporary civil service systems appear to be hybrid systems that combine at varying degree these modes of public employment responding to administrative reform pressures The patterns of public employment across East and Southeast Asia reflect local administrative traditions imported Western models of administration and the relative timing of democratization and bureaucratization With contributions from leading local experts across the region this book will be invaluable to students scholars and practitioners interested in Asian public administration especially civil service systems Understanding Economic Development NCERT,2019
