Instructor's Resource and Testing Manual Carol Ember,2004-02 *Economics, Today & Tomorrow* Roger LeRoy Miller,1995 Applies traditional economic theory to contemporary problems such as unemployment inflation and conflicting economic systems

American Government: Annotated teacher's ed ,1987 Escape from Democracy David M. Levy,Sandra J. Peart,2016-12-24 The orthodox view of economic policy holds that public deliberation sets the goals or ends and then experts select the means to implement these goals This assumes that experts are no more than trustworthy servants of the public interest David M Levy and Sandra J Peart examine the historical record to consider cases in which experts were trusted with disastrous results such as eugenics the regulatory use of security ratings and central economic planning This history suggests that experts have not only the public interest but also their own interests to consider The authors then recover and extend an alternative view of economic policy that subjects experts proposals to further discussion resulting in transparency and ensuring that the public obtains the best insights of experts in economics while avoiding pitfalls such as expert bias
