Eclipse Stephenie Meyer, Ilyana Kadushin, 2009-05-21 Bella Edward's soft voice came from behind me. I turned to see him spring lightly up the porch steps his hair windblown from running. He pulled me into his arms at once and kissed me again. His kiss frightened me. There was too much tension too strong an edge to the way his lips crushed mine like he was afraid we had only so much time left to us. As Seattle is ravaged by a string of mysterious killings and a malicious vampire continues her quest for revenge Bella once again finds herself surrounded by danger. In the midst of it all she is forced to choose between her love for Edward and her friendship with Jacob knowing that her decision has the potential to ignite the ageless struggle between vampire and werewolf. With her graduation approaching Bella has one more decision to make: life or death. But which is which? Following the international bestsellers *Twilight* and *New Moon*, *Eclipse* is the much anticipated third book in Stephenie Meyer's captivating saga of vampire romance. *Crepúsculo* Stephenie Meyer, 2007-09-30 Bella debe elegir entre su amistad con el hombre lobo Jacob y su relación con el vampiro Edward pero al ser Seattle devastada por una serie misteriosa de matanzas los tres tienen que decidir si sus vidas personales son más importantes que el bienestar de una ciudad entera

Stephenie Meyer (Author of the Twilight, New Moon, and Eclipse) Sara McEwen,2012-02-29 ABOUT THE BOOK In 2003 a young stay at home mother living in Arizona woke up at four in the morning still reeling from a dream that she could not shake out of her mind Stephenie Meyer had never really wanted to be a writer and had never written so much as a single short story before but she felt compelled to turn this dream into a novel Although she tried to focus on her usual daily routine of caring for her three young sons and doing chores around the house and around her town of Cave Creek the dream still lingered filling her head with visions of a good hearted but tortured vampire and the ordinary teenage girl who fell in love with him Meyer eventually found a moment of free time and wrote down parts of her dream fleshing out the ideas to give them a narrative and a voice That story was at the root of Meyer s bestselling series that would take the world by storm

Meyer's inspiration led her to create a compelling and addictive young adult novel. She wrote the first draft of her novel in only three months working whenever her schedule as a stay-at-home mother would allow snatching moments of free time while her children were asleep or her husband Pancho took care of the chores. Instead of setting the story in sunny Arizona, the state where she grew up, Meyer chose the rainy forests of Forks, Washington. EXCERPT FROM THE BOOK: After Stephenie and Pancho were married, they settled in Arizona again. When Meyer's oldest son was born, she decided that her dreams of law school were not really as important as her desire to stay home and focus on motherhood. After Gabe was born, Meyer's two other sons, Eli and Seth, soon followed. In 2003, Meyer was a happy, content and busy stay-at-home who worked hard to tend to her three sons, all of them under the age of five. Her husband's work as an auditor kept the family well provided for. All the same, in what seemed like a magical moment of unexpected inspiration, Meyer's contented and simple life changed. When she had a dream about a vampire and a human girl, Meyer began to wonder if maybe she could be a writer just like her many literary idols. She began to write down the story at first just for fun and personal enjoyment. Buy a copy to keep reading.
