Economics June Exam Question Paper And Memo:

The All-Volunteer Force William A. Taylor, 2023-06-24 The all volunteer force AVF created in conjunction with the end of the draft in 1973 has been the most significant development in modern American military history Since its inception the influence of the AVF has reached far beyond the US armed forces affecting the very character of American civil military relations While its successes and challenges continue to be widely discussed and fervently debated one thing is certain the AVF is critical to both US national security and the fabric of American society The insightful cogent and provocative essays contained in this timely volume represent a crucial first step in assessing the AVF after fifty years of service Here fifteen renowned authors speak to vital issues that remain relevant today and will endure well into the future The AVF has garnered both triumphs and shortcomings but continues to be an essential institution Engaged dialogue about the AVF is crucial to ensure that it remains ready to meet and overcome potential threats and that policymakers address the central obstacles it faces today The All Volunteer Force is the most comprehensive assessment of the force since its advent and reveals the momentous sway the AVF has had on the military government and society in the United States In crafting this far reaching collection of essays William A Taylor examines the AVF in four distinct parts analyzing its history results challenges and implications In doing so this compelling book explores all the major facets of the AVF past present and future This dynamic volume brings together a multidisciplinary group of distinguished authors who each bring to bear important perspectives on specific aspects of the AVF These contributors include leading scholars general officers civilian policymakers and personnel experts who collectively provide a holistic assessment of the accomplishments and shortcomings of the AVF during its fifty years of service
