The Complete Guide to Option Selling James Cordier, Michael Gross, 2005-01-20 Selling naked options long considered profitable for professional traders but too risky for most investors has been surging in popularity The Complete Guide to Options Selling avoids dry complex theory and jargon in favor of a simple direct approach that sophisticated investors can use to produce surprisingly consistent results with only slightly increased risk This down to earth book explains how to apply market fundamentals while avoiding common options trading mistakes to make options selling a profitable part of any portfolio strategy

The Complete Guide to Option Selling, Second Edition James Cordier, Michael Gross, 2009-08-21 The growing popularity of selling options is undeniable yet it remains one of the least understood concepts in the trading world This clear and engaging guide helps you enter the market with the confidence you need and generate profits with a consistency that may surprise you Now in its second edition The Complete Guide to Option Selling is the only book that explores selling options exclusively Since its original publication in 2004 much has changed in the world of options and the authors have provided key updates to help you take advantage of these changes You'll find all the information you'll need to start writing options profitably in equities stock indexes and commodities and maximize your returns minimize your risk and even manage black swan events With more than 38 years combined experience in options trading the authors explain Basic mechanics of how professionals sell time premium The misunderstood subject of margins on short options Myths about option writing and why they still circulate Key factors to consider when building an options selling portfolio How to control risk the right way Effective time tested strategies for selling premium Common mistakes beginners make and how to avoid them Option selling provides a high probability of success that is difficult if not

impossible to achieve in any other investment. The Complete Guide to Option Selling illustrates how to take full advantage of this unique approach and make it a profitable high yield component of your overall portfolio. Don't listen to the popular myth that option selling is only for professionals. The secret is out and individual investors can now run with it. Read The Complete Guide to Option Selling and learn how you can level the playing field with the big guys. It's a lot easier than you may think.
