The background of the cover features a romantic scene of a couple in white lingerie on a bed. The woman is on the left, looking down, and the man is on the right, looking towards her. The scene is softly lit and has a dreamlike quality. At the bottom of the cover, there is a dark, stylized illustration of a cityscape with a bridge, possibly a Parisian scene, which serves as a backdrop for the author's name.

The Siren, Vol. 21 Paul O. Ritzer, 2017-01-09 Excerpt from The Siren Vol 21 September 1930 Every year at this time this old question comes to the ears of the editors of campus publications It is an old question and it is our opinion that it should be answered at once if not sooner We believe that this University is not in need of a faculty The students already have five faculties taste smell touch sight and hearing and for the sake of convenience and economy we see no reason to support a teaching faculty It is one of the most expensive of the possible six faculties and gives the least enjoyment Tasting this that or maybe the other is pleasant to the male students three times a day and to our ladies of the campus as often as their escorts care to provide this type of entertainment for them to enjoy Smelling is not always enjoyable in the chem building but few of the leaders of our University's social life will deny that smelling perfume or powder is indeed pleasing Touch is a minor

faculty but it leads us into few difficulties On the other hand we must have touched An attempt to do away with it would greatly disrupt our every day life doing away with the teaching faculty would tend to speed up our drab routine into a cycle of pleasure Sight and hearing can also be considered in the same manner as touch with the only addition of pleasure on bright windy days due to the sight faculty About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Siren, 1920, Vol. 5 (Classic Reprint)* Tracy van Buren,2018-03-07 Excerpt from The Siren 1920 Vol 5 To the staff to Miss Shellenberger our Faculty advisor and to Miss Palmer our English teacher is due much credit for long and hard work Especially To Doris Gilhams the business manager and to Geraldine Henry the art editor is due high praise About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Siren** Thomas Adolphus Trollope,2017-06-21 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that everyone can enjoy them The Siren Casket Archibald Munro,2018-01-30 Excerpt from The Siren Casket Or the Wrecker and the Maid of Drum A shroud of spray enrobed her mast And hid at times the craft from view Oft high above the angry blast Was heard the clamour of her crew Fierce was the wind and wild the waves That smote the boulders of the Moil And frantic echoes in its caves Bespoke their ceaseless mingled toil About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Siren, 1927 (Classic Reprint) University of Illinois,2017-02-17 Excerpt from The Siren 1927 They call their house the sister organization of Acacia as the girls have to be Eastern Stars before they can be initiated but we ve never heard an Acacian admit it This group also has the reputation for really being able to
