## Introduction

Congratulations! You've either just turned sixteen or you have now decided to attain an Ontario driver's license. As Ontario driver's license is your proof of your privilege to drive. As you will see, we've created this guide to give new drivers the basic information they will need to learn to drive safely in Ontario.

This book is divided into three parts to make it even easier for you. Each part will include essential information you will need to pass each test, including:

- **PART I** : Knowledge Test
  - A) Traffic Signs
  - B) Rules of the Road
- **PART II** : Road Test (G1 and G2 Tests)
- **PART III** : Things Every Driver Should Know (Bonus Section)

Or have you failed the test before and still aren't sure what the right answers are? Do you want to pass your DMV written exam without getting stumped on tricky questions? You might've heard that the driver's license test in New York is immensely difficult regardless of your driving experience. Plenty of out-of-staters will tell you horror stories of how they failed terribly on the written exam despite years of driving under their belts. And it's even scarier if you've never been behind the wheel. Because as excited as you may be to start driving on your own, you only get a few tries to pass the written test before you're forced to begin the whole application process all over again. Even if you've read through the DMV handbook over and over, you might miss a redundant question where all of the answers look like they could be correct. And missing just one question is enough to invalidate your entire driver's license application. But there's a simple and easy way to save yourself the embarrassment of failing your driver's license test. With the right study guide, you'll be prepared for every question you come across on the test so you can pass with flying colors.

In this New York Driver's Practice Tests Course, you will discover A comprehensive guide to applying for, taking, and passing the New York DMV written exam. Over 700 questions and answers to prepare you for the most recent version of the written test. Detailed explanations of each answer to help you get a perfect score. Over 9 different chapters that lay out the basics of each section on the exam plus 2 BONUS cheat sheets. The biggest mistake most people make when prepping for their tests and how you can avoid the same fate. 56 tips and tricks to get you

ready for both the written exam and the road test Studying hacks to make sure you ace every question on the test even if you don't have enough time to practice The 12 questions most test takers get wrong answer these the right way if you don't want to fail And much more Don't waste hundreds or even thousands of dollars on driver's ed courses that barely even help you with the written portion of your driver's license test This New York Driver's Practice Tests Course shows you everything you need to know to pass your exam on the first attempt and for only a small fraction of what it costs to hire an instructor Regardless of your driving experience this all in one guide will boost your test taking confidence and have you cruising around New York in no time You could keep sitting at home worrying about whether or not you're going to have to retake the test or you can master all the essential road rules skills and practices and get one step closer to obtaining your driver's license If you want to Pass your DMV written exam once and for all then scroll up and click the Add to Cart button right now
