Zamora,2018-02-27 I've loved more blades than people so I'll shoot you through the peephole before I ever open the door sometimes the floor is the only place you can lay your head I could make a summary of everything I've ever read and you still wouldn't get the picture Life's been a mixture of heavy grays and whole days spent looking at my bedroom ceiling is it still just a feeling if it changes who you are I can't remember the last time I looked for shooting stars or wished on fallen eyelashes my memory is full of crashes and I can feel the hardness in my sides This is the story of me my pride and I The Pink Book Kaye Blegvad,2019-10-01 What do we think of when we think pink In this richly illustrated homage to the color artist Kaye Blegvad explores its significance across history and cultures from gender connotations to product marketing symbols and iconography and more Through engaging mini essays interactive exercises object studies and interviews readers will learn about a vibrant miscellany of pink facts and pink occurrences like iconic applications of the color from Elvis's cars to cotton candy or the etymology of phrases like tickled pink pink slip or rose tinted glasses This ebook will captivate those with a passion for pink and anyone with a curiosity about color *Processing Creativity* Jesse Cannon,2017-03-28 For decades Jesse Cannon has been pushing creative ideas in music You may know him from writing one of the most popular books on the music business *Get More Fans* or from his recording credits on records with the most varied set of bands you've ever seen including The Cure The Misfits Animal Collective Brand New The Dillinger Escape Plan The Menzingers Limp Bizkit Basement Leftover Crack Saves The Day Senses Fail Weird Al Yankovich Lifetime Say Anything NOFX Flatsound Man Overboard Bad Books Transit Somos Cavetown and over a thousand others You may also know his work as the host of the podcasts Atlantic Records Inside The Album Noise Creators and Off The Record his popular YouTube channel Musformation as a producer for popular podcasts at Rolling Stone helping musicians fulfill their creative vision The book is the culmination of four years of poring over scientific studies books and thoughts from top creators as well as his own experience to write a book every musician should listen to about what goes into making great music versus what bands do when they make the innumerable bad songs we hear each day Covering the pitfalls of creating music the book thoroughly explores the hidden reasons we actually like music how to get along with our collaborators and patterns that help creativity flourish While every musician says that being creative is the most important part of their life they barely explore what's holding them back from making music they are happy with When trying to navigate the ways our creative endeavors fail there's no YouTube tutorial listicle or college course that can help navigate the countless creative pitfalls that can ruin your music but after reading this book you will have the knowledge to guide you to make songs the world loves The essential ideas on creating music are detailed in a simple fun language that's littered with quotes and insight from the most innovative creators of our time including How to make highly emotional music that compels listeners to listen again and again Effectively dealing with collaborative problems like too many chefs in the kitchen giving helpful criticism or dealing with stubborn collaborators Finding inspiration when you have writer's block How to draft your songs while avoiding the common pitfalls of losing

perspective and giving up Examining the unexpected reasons we enjoy music Calming your thoughts so they don't sabotage your music and other helpful tools to help execute your music as best as possible **Irresistible** Adam Alter, 2018-03-06

Irresistible is a fascinating and much needed exploration of one of the most troubling phenomena of modern times Malcolm Gladwell author of New York Times bestsellers David and Goliath and Outliers One of the most mesmerizing and important books I've read in quite some time Alter brilliantly illuminates the new obsessions that are controlling our lives and offers the tools we need to rescue our businesses our families and our sanity Adam Grant New York Times bestselling author of Originals and Give and Take Welcome to the age of behavioral addiction an age in which half of the American population is addicted to at least one behavior We obsess over our emails Instagram likes and Facebook feeds we binge on TV episodes and YouTube videos we work longer hours each year and we spend an average of three hours each day using our smartphones Half of us would rather suffer a broken bone than a broken phone and Millennial kids spend so much time in front of screens that they struggle to interact with real live humans In this revolutionary book Adam Alter a professor of psychology and marketing at NYU tracks the rise of behavioral addiction and explains why so many of today's products are irresistible Though these miraculous products melt the miles that separate people across the globe their extraordinary and sometimes damaging magnetism is no accident The companies that design these products tweak them over time until they become almost impossible to resist By reverse engineering behavioral addiction Alter explains how we can harness addictive products for the good to improve how we communicate with each other spend and save our money and set boundaries between work and play and how we can mitigate their most damaging effects on our well being and the health and happiness of our children Adam Alter's previous book Drunk Tank Pink And Other Unexpected Forces that Shape How We Think Feel and Behave is available in paperback from Penguin *The Art of Short Form Content* Bryan Cook, 2015-12-22

The Art of Short Form Content From Concept to Color Correction is an in depth examination of the craft of creating short form filmic content a category which includes television commercials music videos television promos movie trailers digital billboards corporate videos and pretty much anything else with a running time under five minutes Though short form is an important part of the film industry it is typically overlooked in books on the art of filmmaking The Art of Short Form Content fills this industry void by answering the type of questions that working short form content creators deal with every day As Cook explains though short form content is limited in duration it is not limited in quality and message In this step by step full color guide you will find Interviews with leading short form content creators Details on how to create everything from a corporate piece to a Super Bowl spot Strategies for how to quickly attract viewer attention to your content Extensive information on how to best utilize the craft of film making in an advertising context A comprehensive companion website that can be found at www.focalpress.com/cw/cook Millennial Money Patrick O'Shaughnessy, 2014-10-14 A motivating book to inspire Millennials to invest now for their future **Time Wise** Amantha Imber, 2022-07-05 Learn how to become time wise using
