The possession or use of any communications device is strictly prohibited while taking this examination. If you have or use any communications device, you neither have taken, nor participated in, nor will be credited for your exam.

This is a test of your knowledge of chemistry. Use that knowledge to answer all questions in this examination. Some questions may require the use of the 2013 Edition Reference Tables for Physical Setting/Chemistry. You can be answer all questions in all parts of this examination according to the directions provided in this examination booklet.

A separate answer sheet for Part 4 and Part 5-1 has been provided to you. Follow the instructions from the proctor for completing the student information on your answer sheet. Forward your answers to the Part 4 and Part 5-1 multiple-choice questions on this separate answer sheet. Forward your answers for the questions in Part 5-2 and Part 6 to your separate answer booklet. Be sure to fill in the heading on the front of your answer booklet.

All answers in your answer booklet should be written in pen, except for graphs and drawings, which should be done in pencil. You may use scrap paper to work out the answers to the questions, but be sure to record all your answers on your separate answer sheet or in your answer booklet as directed.

When you have completed the examination, you must sign the statement printed on your separate answer sheet, indicating that you had no unlawful knowledge of the questions or answers prior to the examination and that you have neither given nor received assistance in answering any of the questions during the examination. Your answer sheet and answer booklet cannot be accepted if you fail to sign this declaration.

Notice . . .

A score booklet for scientific calculation and a copy of the 2013 Edition Reference Tables for Physical Setting/Chemistry must be available for you to use while taking this examination.
