

The Constitution

★ CITIZENSHIP AND YOU ★

The Constitution is the nation's oldest legal and governing document. Written in 1787, it has led to a system of government that has flourished for more than 200 years. Studying this document would be a useful lesson about the nation, the values of our Constitution, and how to participate in our government. It is also a good way to learn about the history of the United States and American government. There is also a lot of information in the Constitution that is useful to the American people. The Constitution is the foundation of our government. It is the source of our laws and the source of our rights. It is the source of our power and the source of our freedom. It is the source of our identity and the source of our destiny. It is the source of our hope and the source of our faith. It is the source of our love and the source of our life. It is the source of our everything. It is the source of our everything.

The best way to learn about the history of the Constitution is to read the Constitution. You can find the Constitution in many places, including the Library of Congress and the National Archives.
