focuses on exploring the impact of young people s identity making practices in mediating their perceptions of themselves as
readers and writers in an era of externally mandated reforms What is different in the Second Edition is its emphasis on the
importance of valuing adolescents perspectives in an era of skyrocketing interest in improving literacy instruction at the
middle and high school levels driven by externally mandated reforms and accountability measures A central concern is the
degree to which this new interest takes into account adolescents personal social and cultural experiences in relation to
literacy learning In this new edition of *Reconceptualizing the Literacies in Adolescents Lives* students voices and
perspectives are featured front and center in every chapter Particular attention is given throughout to multiple literacies
especially how information and new communication technologies are changing learning from and with text Nine of the 15
chapters are new all other chapters are thoroughly updated The volume is structured around four main themes Situating
Adolescents Literacies addressing how young people use favorite texts to perform their identities how they counter school
based constructions of incompetence and how they re construct their literate identities in relation to certain kinds of
gendered expectations pedagogies and cultural resources Positioning Youth as Readers and Writers stressing the importance
of classroom discourse cultural capital agency and democratic citizenship in mediating adolescents literate identities
Mediating Practices in Young People s Literacies looking at issues of language social class race and culture in shaping how
adolescents represent themselves and are represented by others and Changing Teachers Teaching Changes capturing the
productive ambiguities associated with teaching urban adolescents to read and write in changing times encouraging students
to conduct action research on topics that are personally relevant and using enabling constraints as a concept to formulate
policies on adolescent literacy instruction *Reconceptualizing the Literacies in Adolescents Lives Second Edition* is an
