The World's Religions Peter B. Clarke, Peter Beyer, 2009-05-07 This comprehensive volume focuses on the world's religions and the changes they have undergone as they become more global and diverse in form It explores the religions of the world not only in the regions with which they have been historically associated but also looks at the new cultural and religious contexts in which they are developing It considers the role of migration in the spread of religions by examining the issues raised for modern societies by the increasing interaction of different religions The volume also addresses such central questions as the dynamics of religious innovation which is evidenced in the rise and impact of new religious and new spirituality movements in every continent

Rethinking Religion Will Deming, 2005 The overwhelming majority of people in the world 85% are religious and more religions are now practiced in the United States than in any other country Religion plays a critical role in international politics in the global economy and in a wide variety of social and cultural interactions on the domestic front Even though religion is such an integral part of today's world many Americans have difficulty discussing it publicly They are often unfamiliar with any religion but their own finding other religions mysterious or even threatening Offering a brief and accessible point of entry into the subject Rethinking Religion A Concise Introduction begins by highlighting the significance of religion in modern society and providing a simple definition that goes beyond vague notions of faith or belief in God Drawing material from a diverse range of religions including Hinduism Buddhism Judaism Christianity Islam and primal religions author Will Deming walks readers through thirty examples of how religions work exploring the significance of religious events and pronouncements He also considers several topics that continue to fascinate and challenge Westerners the ethics of studying someone else's religion the truth of religion the possibilities for preferring one religion over another religious pluralism and the contentious dialogue between science and religion Enhanced by an innovative glossary of religious terms and numerous pictures and analyses of everyday religious activities Rethinking Religion A Concise Introduction is ideal for introducing students to the concept of religion and for courses in comparative and world religions It is also captivating reading for theologians scholars and anyone interested in the topic

Museums of World Religions Charles Orzech, 2020-05-14 Critically examining the notion of world religions Charles D Orzech compares five purpose built museums of world religions and their online extensions Inspired by the 19th

and 20th century discipline of comparative religion these museums seek to promote religious tolerance by representing religious diversity and by arguing for underlying kinship among religions From locations in Europe Marburg Glasgow and St Petersburg to North America Quebec to Asia Taipei each museum advances a particular cultural history This book shows how the curation of the objects they contain shapes public perceptions of religion giving material form to the discourses about religion and world religions Raising important questions about religion and secularity museum displays and religious piety Museums of World Religions questions the ideology that informs these museums Building on recent anthropological work on the agency of religious objects the author critiques these museums and suggests new approaches to displaying the matter of religion

World Religions Gerald R McDermott, 2011-04-04 An essential and concise introduction to eight of the world's major religions For the Christian there's value in learning about different religions and unfamiliar expressions of belief First of all it gives us a greater understanding of the world we live in But a study of other faiths can also deepen our own while making us more effective witnesses to those who don't share a belief in Christ In *World Religions* Gerald R McDermott explains what you need to understand about major world religions so that you can be equipped to engage people of other faiths McDermott offers an overview of the central beliefs of Christianity Judaism Islam Hinduism Buddhism Confucianism Daoism and Shinto Features include Insights from members of each religious community Discussions of each religion's major traditions rituals and leaders A glossary of important terms

Encountering World Religions Irving Hexham, 2019-05-21 The diversity of the world's religions has come to the West but believers are often ill equipped for any kind of serious engagement with non Christians In *Encountering World Religions* professor and author Irving Hexham introduces all the world's major religious traditions in a brief and understandable way Hexham outlines key beliefs and practices in each religion while also providing guidance on how to think critically about them from the standpoint of Christian theology African yonic and Abrahamic traditions are all covered Accessible and clear *Encountering World Religions* will provide formal and lay students alike with a useful Christian introduction to the major faiths of our world

Nonviolence in the World's Religions Jeffery D. Long, Michael G. Long, 2021-09-23 The twenty first century began with the terrorist attacks of September 11 2001 Much has been written and debated on the relationship between faith and violence with acts of terror at the forefront However the twentieth century also gave rise to many successful nonviolent protest movements *Nonviolence in the World's Religions* introduces the reader to the complex relationship between religion and nonviolence Each of the essays delves into the contemporary and historical expressions of the world's major religious traditions in relation to nonviolence Contributors explore the literary and theological foundations of a tradition's justification of nonviolence the ways that nonviolence has come to expression in its beliefs symbols rituals and other practices and the evidence of nonviolence in its historic and present responses to conflict and warfare The meanings of both religion and nonviolence are explored through engagement with nonviolence in Hindu Buddhist Chinese Sikh Jewish Christian Islamic Jain and Pacific Island religious traditions This is

the ideal introduction to the relationship between religion and violence for undergraduate students as well as for those in related fields such as religious studies peace and conflict studies area studies sociology political science and history
