Down And Derby The Insiders Guide To Roller Alex Cohen:

Down and Derby Alex Cohen, Jennifer Barbee, 2010-07-13 Part manifesto part how to guide required reading for anyone who's searching for new ways to be fearless Carrie Brownstein When most Americans hear the words roller derby today they think of the kitschy sport once popular on weekend television during the seventies and eighties Originally an endurance competition where skaters traveled the equivalent of a trip between Los Angeles and New York roller derby gradually evolved into a violent contact sport often involving fake fighting and a kitschy weekend television staple during the seventies and eighties But in recent decades it's come back strong with more than 17 000 skaters in more than four hundred leagues around the world and countless die hard fans *Down and Derby* will tell you everything you ever wanted to know about the sport Written by veteran skaters as both a history and a how to it's a brassy celebration of every aspect of the sport from its origins in the late 1800s to the rules of a modern bout to the science of picking an alias to the many ways you can get involved off skates Informative entertaining and executed with the same tough sassy DIY attitude leavened with plenty of humor that the sport is known for *Down and Derby* is a great read for both skaters and spectators **Roller Derby** Michella

M. Marino, 2021-10-12 Since 1935 roller derby has thrilled fans and skaters with its constant action hard hits and edgy attitude However though its participants' athleticism is undeniable roller derby has never been accepted as a real sport Michella M Marino herself a former skater tackles the history of a sport that has long been a cultural mainstay for one reason both utterly simple and infinitely complex roller derby has always been coed Richly illustrated and drawing on oral histories archival materials media coverage and personal experiences *Roller Derby* is the first comprehensive history of this cultural phenomenon one enjoyed by millions yet spurned by mainstream gatekeepers Amid the social constraints of the mid twentieth century roller derby's emphasis on gender equality attracted male and female athletes alike producing gender relations and gender politics unlike those of traditional sex segregated sports In an enlightening feminist critique Marino considers how the promotion of pregnancy and motherhood by roller derby management has simultaneously challenged and conformed to social norms Finally Marino assesses the sport's present and future after its resurgence in the 2000s

Seattle Sports Terry Anne Scott, 2020-08-17 *Seattle Sports Play Identity and Pursuit in the Emerald City* edited by Terry Anne Scott explores the vast and varied history of sports in this city where diversity and social progress are reflected in and reinforced by play The work gathered here covers Seattle's professional sports culture as well as many of the city's lesser known figures and sports milestones Fresh nuanced takes on the Seattle Mariners Supersonics and Seahawks are joined by essays on gay softball leagues city court basketball athletics in local Japanese American communities during the interwar years ultimate the fierce women of roller derby and much more Together these essays create a vivid portrait of Seattle fans who in supporting their teams often in rain sometimes in the midst of seismic activity check the country's implicit racial bias by rallying behind outspoken local sporting heroes *Youth Cultures in America* Simon J. Bronner, Cindy Dell

Clark,2016-03-21 What are the components of youth cultures today This encyclopedia examines the facets of youth cultures and brings them to the forefront Although issues of youth culture are frequently cited in classrooms and public forums most encyclopedias of childhood and youth are devoted to history human development and society A limitation on the reference bookshelf is the restriction of youth to pre adolescence although issues of youth continue into young adulthood This encyclopedia addresses an academic audience of professors and students in childhood studies American studies and culture studies The authors span disciplines of psychology sociology anthropology history and folklore The Encyclopedia of Youth Cultures in America addresses a need for historical social and cultural information on a wide array of youth groups Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults Widespread reports of bullying school violence dominance of athletics over academics and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems *Governing Knowledge Commons* Brett M. Frischmann,Michael J. Madison,Katherine Jo Strandburg,2014 Knowledge commons describes the institutionalized community governance of the sharing and in some cases creation of information science knowledge data and other types of intellectual and cultural resources It is the subject of enormous recent interest and enthusiasm with respect to policymaking about innovation creative production and intellectual property Taking that enthusiasm as its starting point Governing Knowledge Commons argues that policymaking should be based on evidence and a deeper understanding of what makes commons institutions work It offers a systematic way to study knowledge commons borrowing and building on Elinor Ostrom s Nobel Prize winning research on natural resource commons It proposes a framework for studying knowledge commons that is adapted to the unique attributes of knowledge and information describing the framework in detail and explaining how to put it into context both with respect to commons research and with respect to innovation and information policy Eleven detailed case studies apply and discuss the framework exploring knowledge commons across a wide variety of scientific and cultural domains *Derby Life* Margot Atwell,2015-07-18 Roller derby is one of the fastest growing sports in the world From the history of the sport to strategy to gear Derby Life will teach you what you need to know to get rolling This book can t teach you how to skate but it will get you up to speed on everything else Veteran skaters will appreciate chapters on building mental toughness dealing with derby drama and getting back in the game after an injury Derby Life also includes advice from roller derby greats and personal stories and beautiful photographs from derby people all over the world
