drawing conclusions

A conclusion is the end or finish of a certain process. It can also be a judgement or decision reached by reasoning. All narrative stories end with a conclusion. A conclusion is a main part of the plot diagram and the end of a story.

Directions: Identify and underline the conclusion in each sentence or group of sentences.

Example: I forgot to bring my lunch to school, therefore I didn't eat.

Answer: I forgot to bring my lunch to school, therefore I didn't eat.

1. I did not bring my wallet to the store, so I could not buy anything.
2. I prepared well and studied hard for my upcoming test, so I passed it.
3. I bought a new computer, therefore I could play online games.
4. I did not have cable t.v., thus I didn't watch the Laker game.
5. My family took a vacation every summer, therefore I learned a lot.
6. I went with my friends on a road trip, so I had lots of fun.
7. I couldn't finish my food, so I had to put some of it back.
8. We had fun at the water park, thus we were sleepy afterward.
9. I did well in high school, so I went to a good college.

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Drawing Conclusions Worksheets 6th Grade books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Drawing Conclusions Worksheets 6th Grade books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts

millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Drawing Conclusions Worksheets 6th Grade books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Drawing Conclusions Worksheets 6th Grade books and manuals for download and embark on your journey of knowledge?
