Kaunda, Marja Hinfelaar, 2020-11-03 *Competing for Caesar* brings together for the first time key scholars working on various issues related to religion and public life in Zambia. They explore the interplay between religion and politics in Zambian society and how these religions manage and negotiate their identities in public life. This book analyzes recent religious dynamics in the nation's political life and considers what constructive role religion could play to promote an alternative political vision to subvert neo colonialism. *Competing for Caesar* carries forward a unique commitment on the part of Fortress Press to engage with the challenges and opportunities of Christianity in the Global South. Researchers based in each of these countries were responsible for the chapters in which they assess the influence of the treaties and treaty body recommendations on legislation, policies, court decisions and practices. in the books The authors are highly experienced teachers and WAEC NECO examiners who have also authored several highly successful Secondary School textbooks Civic Education in Syllabus 21 Marc Rüdisüli, 2017 In order to ensure a well functioning democracy it is necessary that citizens are able to participate properly in the political process This is of particular importance in a semi direct democracy with the right of initiative and referendum Both in politics and in a society there is a diversity of opinions and interests In order to find a solution the ability to negotiate is essential Civic education aims to give an introduction to the processes of negotiation and thus empower citizens to engage competently in democratic communities and societies However civic education is neglected in schools The harmonisation of the curricula in German speaking Switzerland has led to Syllabus 21 which also deals with civic education Its implementation in Syllabus 21 is the main topic of this paper The theoretical background allows the reader to understand the term civic education as well as Syllabus 21 With the help of experts the implementation of civic education is analysed problems are identified and a conclusion is drawn This paper aims to provide an overview of civic education in Syllabus 21 **Civics Syllabus for Secondary Schools** Ministry of Education and Culture, The United Republic of Tanzania, 1996 *Themes in Civic Education (Book 1)* Maro Kigho-Oyolo, 2021-05-07 This book is a response to the introduction of Civic Education to Schools in Nigeria and the need for a comprehensive text on the subject Themes in Civic Education Book one is a well researched text that is in accordance with the Nigerian government approved syllabus for Senior Secondary Schools Nonetheless it is robustly written to give the reader an all encompassing understanding of the topics treated The approach adopted will also be appealing even to students in tertiary institutions across Nigeria It is basically a study text Each chapter begins with a list of topics and sub topics to be expected in the body of the work There is also a study outcome session that is meant help the student to fix in mind the objective of each chapter The realization that no subject can be adequately understood unless a person understands the vocabulary used has led to the inclusion of terms to know session at the beginning of each session The essence is to help the reader to be thoroughly familiar with the vocabulary of each chapter It would do a lot of good for the student to note such words Another advantage of the terms to know session is that it helps to improve the student s general vocabulary Another feature of this text is that each chapter ends with a summary and review questions that are meant to test the student understanding of each chapter It is my hope that all students and Teachers of Secondary Schools across Nigeria will find this text a very useful study and resource material Students in tertiary institutions who take elective courses that deals with the themes covered in this book will also find it very enlightening Find below the topics covered in this volume
