*L.A. Cops: A Story of Honor, Sex & Tragedy* Samuel Turner, 2012-11-12 L A Cops is primarily a work of fiction with a few exceptions the names of my characters as well as most of the cities and counties in the San Joaquin Valley are figments of my imagination If the reader believes that I have written about actual places as well as real crimes that is his right to do so I can only say in my defense that all writers have stored in their memory cells recollections of actual events and frequently borrow from those storage banks ideas that eventually go together to make up a story or even an entire novel That's how writers of

fiction make a living unless the work is pure science fiction the more closely it resembles real life situations the more likely it will sell because we all experience something inside when we can relate to the characters events or locales in a story I have used real situations and in several instances actual places in the chapters that deal with World War II Of course built within that framework I ve taken the liberty to make my characters more colorful gallant or tyrannical than may have been the actual case I wasn t old enough during that period to have had personal experiences of this nature but some of the military individuals I ve introduced you to may approximately match some that I ran into during my own years in the Air Force After all no one period in time has its own special hold on good decent people nor on those who have made life less than great for those they have come in contact with You will find both types playing important roles in my book *The Cambridge Review* ,1888 **Randax Education Guide** ,1983 Subject Catalog Library of Congress,1976 **Sanitation Worker Exam National Edition** Learning Express LLC,1997-09 Sanitation worker is one of the most sought after civil service jobs with many thousands of applicants nationwide each year By popular demand LearningExpress introduces a new series of major civil service exams The book includes customized test study planners top test taking strategies practice exams based on official tests and more *Who's who in America* ,1926 *Police Officer Exam* ,1999 LearningExpress makes passing as easy as 1 2 3 Master our exclusive EasySmart Test Prep System Take one practice exam take as many as 5 more practice exams Plus the complete selection process explained step by step
