## **Doublecrossed English Edition:**

**Double Crossed** Matthew Avery Sutton, 2019-09-24 The untold story of the Christian missionaries who played a crucial role in the allied victory in World War II What makes a good missionary makes a good spy Or so thought Wild Bill Donovan when he secretly recruited a team of religious activists for the Office of Strategic Services They entered into a world of lies deception and murder confident that their nefarious deeds would eventually help them expand the kingdom of God In **Double Crossed** historian Matthew Avery Sutton tells the extraordinary story of the entwined roles of spy craft and faith in a world at war Missionaries priests and rabbis acutely aware of how their actions seemingly conflicted with their spiritual calling carried out covert operations bombings and assassinations within the centers of global religious power including Mecca the Vatican and Palestine Working for eternal rewards rather than temporal spoils these loyal secret soldiers proved willing to sacrifice and even to die for Franklin Roosevelt s crusade for global freedom of religion Chosen for their intelligence powers of persuasion and ability to seamlessly blend into different environments Donovan s recruits included people like John Birch who led guerilla attacks against the Japanese William Eddy who laid the groundwork for the Allied invasion of North Africa and Stewart Herman who dropped lone wolf agents into Nazi Germany After securing victory those who survived helped establish the CIA ensuring that religion continued to influence American foreign policy Surprising and absorbing at every turn **Double Crossed** is the untold story of World War II espionage and a profound account of the compromises and doubts that war forces on those who wage it

**Turnabout and Deception** Barton Whaley, 2016-07-15 **Turnabout and Deception** combines two of spymaster Barton Whaley s most potent analyses of the craft **Turnabout** Crafting the Double Cross and **When Deception Fails** The Theory of Outs Each examination delves into extensive case studies to establish not only foundational understandings of essential espionage principals but also creates guidance for their practical application on both individual and governmental scales Deception is a basic tactic used by allies and enemies alike but when both protagonist and antagonist ply the same trade it is the master of the double cross who comes out the victor **Turnabout and Deception** examines how to turn the tables on an opponent and use their own deception against them Through thirty eight case studies this monograph dissects the double cross to reveal the psychological battle of wits at its core No matter how well crafted however there is always a chance that a deception will fail But failure is not the end of a deception and even failed deception operations can yield results **Turnabout and Deception** pores over sixty more case studies to determine why a deception will fail steps to prevent a failed operation and how to turn that failure into a success

**Double Crossed** Michael Woodiwiss, 2017-06-20 In the United States the popular symbols of organised crime are still Depression era figures such as Al Capone Lucky Luciano and Meyer Lansky thought to be heads of giant hierarchically organised mafias In **Double Crossed** Michael Woodiwiss challenges perpetuated myths to reveal a more disturbing reality of organised crime one in which government officials and the wider establishment are deeply complicit Delving into attempts to implement policies to control

organised crime in the US Italy and the UK Woodiwiss reveals little known manifestations of organised crime among the political and corporate establishment A follow up to his 2005 *Gangster Capitalism* Woodiwiss broadens and brings his argument up to the present by examining those who constructed and then benefited from myth making These include the Italian dictator Benito Mussolini opportunistic American politicians and officials and more recently law enforcement bureaucracies led by the Federal Bureau of Investigation Organised crime control policies now tend to legitimise repression and cover up failure They do little to control organised crime While the US continues to export its organised crime control template to the rest of the world opportunities for successful criminal activity proliferate at local national and global levels making successful prosecutions irrelevant *A Desk-book of Idioms and Idiomatic Phrases in English Speech and Literature* Frank H. Vizetelly, Leander Jan De Bekker, 1923

**Birth of Scientific Ecology** Patrick Matagne, 2024-02-21 This book presents a biography of the Danish botanist Eugen Warming As the author of a treatise on ecology that brought him international recognition he was able to inspire the first generation of 20th century European and American ecologists His innovative approach to nature and his Arctic and tropical missions heralded the birth of a new science and an ecological awareness As a professor at several Scandinavian universities during a period of intense debate and controversy over evolutionary theories Eugen Warming vigorously asserted his convictions Birth of Scientific Ecology presents the image of a man of knowledge and power recognized by his contemporaries as a founder of ecology and a player in the ecological project of the Kingdom of Denmark at a time when the empires were clashing Reverse Acronyms, Initialisms, & Abbreviations Dictionary, 2009
