## **Breakpoints How Managers Exploit Radical Change:**

*Breakpoints* Paul Strebel, 1992 Many companies have fallen not because they ignored their customers or lacked superior management skills but because business conditions shifted beneath them In an environment of fluctuating markets proliferating technologies and changing political frontiers the management challenge is to cope with breakpoints or sudden shifts in the rules of the game Paul Strebel provides a framework for dealing with radical business change

*Trajectory Management* Paul Strebel, 2005-01-14 Trajectory Management moves away from the one true way approach put forward by many business gurus argues that the search for best practice best change management etc obscures real situations in business develops principles of right practice for the situation business is continually evolving and its drivers have to evolve with it provides a practical framework and enables diagnosis of where a business trajectory is and how to sustain or switch trajectories Adjusting corporate leadership to different business conditions is key in today's turbulent environment The systematic review and development of this relationship in Trajectory Management is extremely valuable Peter A Wuffli President of the Group Executive Board UBS In this book Paul Strebel goes beyond universal best practice that is presumed to apply no matter what the context He presents the right practice for managing a business trajectory and winning consistently over time Egon P Zehnder Founder Egon Zehnder International Inc Trajectory Management puts context in its rightful place at the front middle and end of business planning and execution Paul Strebel offers a practical framework to simplify the complex and drive better competitive choices for busy decision makers John Hofmeister Director of Human Resources Shell International B V For more on how to use the book see [www.trajectorymanagement.com](http://www.trajectorymanagement.com)
