JoanasWorld.com is here! It's about time isn't it? I made this guide for people who are tired of grinding levels, looking up how to do quests and trying to figure out the right ways to level up. If you're confused as where you should be leveling at, then you have come to the right place.

My guide contains the same leveling strategies, questing patterns, techniques, and secrets I have used to get the best record time to level 60 on a new server, which is 4 days 20 hours /played! The realm I have achieved this on was the JubelThos server, and I am currently getting prepared to set records for 1-70.
