**Passive Income Ideas** Sara Nina, 2020-07-02 Hundreds of thousands of Internet marketers are fully focused on getting passive income It is by far the most tempting form of income since it lets you earn money on a regular basis even if you are not active with work Because of the hype that this concept generates many people come up with their own dream interpretations of it and unfortunately some are missing the mark It is better to take a closer look at it as well as the things you should expect if you decide to pursue that goal It is highly unlikely to achieve this passive income status overnight Think of it like a rocket where you need to build a bunch of energy to launch it But once it is in the air you only have to do a fraction of the effort to keep things going Creating an actual pathway is actually the time consuming bit If it was really a simple thing to do everyone would be getting involved rather than sticking with tedious ways in earning money Unfortunately it is not that simple and you can t just create wealth out of thin air Your only other alternative involves buying a possible passive income channel
