Brian The Maker:

Brian the Maker Gregor Cole, 2014-12-16 Brian tried to remember how all this started as he drove into the torrential night it almost hurt his head trying to recall the events leading to this moment in time Maybe it had started when he was at university He had a girlfriend in his final year that had gotten him into some weird stuff sexually then she left him for a guy with a bigger cock The other guy was some gay looking chump with muscles and a tattoo the pair had died in a car accident and Brian took a dump on their graves after each of their funerals Fuck the both of them But after she had left him he needed to fill the void of the newfound enjoyment of sickening sexual practices Brian had purchased one of those real life sex dolls online from a Japanese company the company had some kooky name like FUKARADA or something Crazy Japanese bastards they really led the way in the perverse Boy did the thing look real you could bend it into any position and it came armed with enormous tits willing mouth and a supposedly real feel pussy and anus The packaging said to just add lubricant but there was a problem There was something missing the smells the tastes and the feel of real skin You can't emulate that So Brian set out to attempt to build a real life sex toy made from real life people *Buffalo City Directory*, 1844 Historical papers are prefixed to several issues *The Paper Box Maker and American Bookbinder*, 1896 **The Commercial Advertiser**
