Irish Mormons Hazel O'Brien, 2023-06-06 The Church of Jesus Christ of Latter day Saints is one of the international religions that have arrived from abroad to find adherents in Ireland Drawing on fieldwork in two LDS communities Hazel O'Brien explores how these adherents experience the Church in Ireland against the backdrop of the country's increasingly complex religious identity Irish Latter day Saints live on the margins of the nation's religious life and the worldwide LDS movement Nonetheless they create a sense of belonging for themselves by drawing on collective memories of both their Irishness and their faith As O'Brien shows Irish Latter day Saints work to shift the understanding of Ireland's religious landscape away from a predominant focus on Roman Catholicism They also challenge Utah based constructions of Mormonism in order to ensure their place in the Church's powerful religious and cultural lineage Examining the Latter day Saint experience against one nation's rapid social and religious changes *Irish Mormons* blends participant observation and interviews with analysis to offer a rare view of the Latter day Saints in contemporary Ireland

Women in New Religions Laura Vance, 2015-03-13 An in depth history of selected New Religions that highlights the roles of women in their founding and continual practice *Women in New Religions* offers an engaging look at women's evolving place in the birth and development of new religious movements It focuses on four disparate new religions Mormonism Seventh day Adventism The Family International and Wicca to illuminate their implications for gender socialization religious leadership and participation sexuality and family ideals Religious worldviews and gender roles interact with one another in complicated ways This is especially true within new religions which frequently set roles for women in ways that help the movements to define their boundaries in relation to the wider society As new religious movements emerge they often position themselves in opposition to dominant society and concomitantly assert alternative roles for women But these religions are not monolithic rather than defining gender in rigid and repressive terms new religions sometimes offer possibilities to women that are not otherwise available Vance traces expectations for women as the religions emerge and transformation of possibilities and responsibilities for women as they mature Weaving theory with examination of each movement's origins history and beliefs and practices this text contextualizes and situates ideals for women in new religions The book offers an accessible analysis of the complex factors that influence gender ideology and its evolution in new religious movements including the movements origins charismatic leadership and routinization theology and doctrine and socio historical contexts It shows how religions shape definitions of women's place in a way that is informed by response to social context group boundaries and identity

Faith Crisis, Volume 1: We Were NOT Betrayed! L. Hannah Stoddard, James F. Stoddard III, 2020-04-06 After working with thousands of struggling members of The Church of Jesus Christ of Latter day Saints over many years the authors decided to write a book offering hope and answers for those struggling with faith crisis Unbeknownst to the general Church membership the 20th century would witness an organized effort to rewrite Latter day Saint history from within its own ranks

In a head to head behind the scenes battle traditional leaders resisted intellectual progressives working in the Church History Department and at BYU who claimed some forty years ago that it would take a generation to re educate the Church membership Where are we in this attempted re education What is the New Mormon History and how does it personally affect you and your family Join us as we explore newly available diaries review old books and bring untold history into the light Progressives claim the Church covered up its history for nearly 200 years Is the current faith crisis stemming from unmasked history or new interpretations Why did New Mormon Historians insist Hofmann s forgeries were legitimate even when investigators provided convincing evidence to them of the hoax How did Bruce R McConkie know Hofmann s Joseph Smith III blessing was a fake despite authentication by document experts and pressure by historians calling him incompetent for questioning Who were the Swearing Elders How did this group of progressive Latter day Saints reshape the identity of Mormonism Why did Carol Lynn Pearson and Leonard Arrington share cards that read History is on our side as long as we can control the historians Leonard Arrington shared that an invisible higher power commissioned him to rewrite or reconstruct our dominant narrative of the Restoration Did God want our history changed Why did Leonard Arrington say the First Vision Nephites and gold plates were part of the Mormon myth Why did Leonard Arrington note that if he were honest about his beliefs not many Latter day Saints would want him to teach their children How did this affect his career as Church Historian and later at BYU Progressives working in the Church History Department and at BYU claimed 40 years ago it would take a generation to re educate the Church Where are we in this re education The research and findings in this volume are truly history altering Using newly released documents combined with deep knowledge of Church History the Stoddards are bringing to light what could be termed a soft coup d tat of the Church s scriptures and prophets by progressive historians bent on altering its history Hold tight to your faith in the history held by the church for over 150 years and the teachings of our prophets as you discover how deep this attempted takeover has infiltrated and altered our sacred history Rod Meldrum researcher best selling Latter day Saint author international lecturer Years ago we stopped going to church Suddenly God awakened me and brought me back into the fold As I hungered and learned more about the restoration it was upsetting to hear things being said about Joseph that I KNEW were not true I hit a major faith crisis Right as I was about to leave the church and follow another sect that follows the teachings of the Book of Mormon I read the Stoddard s Faith Crisis book This book along with promptings and teachings from the spirit helped me navigate through many questions This book only helped grow my testimony of the truthfulness of the restoration of the gospel and of the church of Jesus Christ of Latter Day Saints I now stand strong in the Faith and know that I am in the only true church I m so thankful for the Joseph Smith Foundation and the many hours put in toward helping others stay strong in the Church of Jesus Christ of Latter Day Saints Latter day Saint mother of six
